On the occasion of world OZONE DAY on sept.16th the massive rally was organised by the Department of civil Engineering at Narayana Engineering College Nellore Campus.

In the presence of Our Head of the department Mrs. K.Venkatalakshmi madam and staff members the students rally were started from our college premises and covered surrounding area about 1km which is highly residential area, to impart the knowledge about importance of ozone day and causes of ozone depletion. During these rally students has participated around 60students.

Pledge was taken by the students and also our staff members were explained briefly about significance of ozone layer and its protection activity from ozone depletion.

With the blessing of our honourable Principal Dr.G.Srinivasulu sir and eminent management board members the celebration of ozone day was end up with successfully. We thanks to all the above dignitaries for gave chance us to participate the occasion of WORLD OZONE DAY.

Head of the Department
