On the occasion of World Wet Lands day our HOD S.Brahmanaidu sir gave a valuable speech for students. He explained the importance and value of Wetlands for Humanity and the planet. And he said that every year group of citizens at all levels of community, have taken advantage of the opportunity to undertake actions aimed at raising public awareness of wetland values and benefits.

Assistant professor V.M.V.Saikrishna also gave speech in the program. He speaks about the biologically diverse ecosystems that provide habitat for many species. He also said that it serve as buffers on the coast against storms and flooding and naturally filter water by breaking down. Some students gave paper presentations on Wetlands.
