

A REPORT ON ENGINEER'S DAY PROGRAM

1	Name of the Activity/Event	ENGINEER'S DAY		
2	Date of Activity/Event	15-09-2021		
3	Organized by/Name of the committee	Civil engineering department, Narayana Engineering College, Nellore		
4	Place of Activity/event	Narayana Engineering College, Nellore		
5	Association with /Collaboration with /organization	NSS Unit of Narayana Engineering College, Nellore		
6	Type of activity/Event	program on Engineer's day		
7	Activity/Event objectives	To provide knowledge among students about BharatRatna Mokshagundam Visvesvaraya on his birth anniversary		
8	Participation	Staff	Students	Total
		8	29	37
9	Enclosures	1. Report 2. Photos		

Department of civil engineering Narayana engineering college, Nellore in Association with NSS Unit of Narayana Engineering College, Nellore organized an Program on Engineer's day at our campus on 15-09-2021 as a tribute to the greatest Indian Engineer BharatRatna Mokshagundam Visvesvaraya birth anniversary. He also designed and patented the automatic weir water floodgates, first installed at the Khadakwasla reservoir, Pune 1903. He designed a flood protection system for the city of Hyderabad and was instrumental in developing a system to protect Visakhapatnam port from sea erosion. He also designed tirumala Ghat road plan in British period. Civil engineering department head K venkata lakshmi and mechanical engineering department head Dr A.V.S Sreedhar Kumar interacts with students and explicate greatness and achievements of Mokshagundam Visvesvaraya. About 8 staff members and 30 students have actively participated in the event.
