

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

A Report on workshop on "Data Analytics"

Date: 20.02.2021

Venue: Sri Srinivasa Ramanujan Seminar hall, Dept of CSE Narayana Engg College

Resource Person: Mr. D Anil Kumar ,
Assoc. Technical Lead,
Emids, Bangalore.

On February 20, 2021, a guest lecture on "Data Analytics" was organized by the Computer Science and Engineering (CSE) department for IV B.Tech students. The lecture was delivered by Mr. D Anil Kumar , an experienced Techno-Functional professional from Emids, Bangalore. The main objective of the lecture was to provide students to get awareness on up-to-date technologies like **Data analytics** and implement best practices on it.

Objectives:

To enable the students with the fundamental concepts of Data Analytics such as counting, probability, probability distributions, estimation and hypothesis testing, scatter diagram, imputation techniques.

Lecture Highlights:

The guest lecture commenced with a welcome address by the Head of the CSE department, followed by the introduction of Mr. D Anil Kumar as the Resource person for the session. The lecture started by providing an overview of Data Analytics and its significance in Information Technology Domain.

The students have actively engaged and participated in the guest lecture, seeking answers for queries raised to Resource Person. Mr. D Anil Kumar has given vast knowledge on Data Analytics.

Conclusion:

The guest lecture on "Data Analytics" by Mr. D Anil Kumar was very useful, informative and insightful. The program was concluded after vote of thanks by HOD.
