Department of CSE is having a professional society student's chapter in association with Computer Society of India (CSI)

Goals of CSI Students Chapter Activities

To develop professional excellence

To motivate to publish professional papers

To understand the set standards for professional fields

To understand and practice high standards of quality

Get exposure to high quality work and contribute to the respective field so as to win awards and other forms of recognition from Professional Societies.

2018-2019 CSI Activities:

S.No.	Activity Name	Resource Person	Date of the activity
1.	Workshop on "Ethical Hacking and Cyber Security"	Mr. D. Sai Satish, CEO, Indian Servers, Vijayawada	15/02/2019 & 16/02/2019
2.	Session on "How to Build Employability Skills using Internet"	Mr. V. Rahul Reddy, CEO, Code & Coffee Pvt. Ltd. Hyderabad	31/01/2019
3.	A Talk on "Machine Learning Concepts"	Dr. P.E.S.N Krishna Prasad, Professor & HOD , S.V. College of Engineering, Tirupati	29-8-2018
4.	SEMINAR On DevOps revolution in IT and current trends in agile	Mr. M. Vijay Kumar Raju, Delivery Manager, T.C.S, U.K	20-8-2018
5.	Guest Lecture on BIg Data and Hadoop Technologies	DrR.B.V.Subramanyam, Professor in CSE, NIT Warangal	18-08-2018

2017-2018 CSI Activities:

S.No.	Activity Name	Resource Person	Date of the activity
6.	Wireless Sensor Networks & its Applications using IoT	Dr. K.Raghava Rao, Professor & Head, Department Of CSE, KL University	16/10/2017
7.	National Unity Day	HOD of CSE	31/10/2017
8.	Faculty Development Program on "Graph Algorithms"	Dr. G. Ramakrishna, Associate Professor from IIT, Tirupati	26/12/2017 to 31/12/2017
9.	CSI Foundation Day Celebration	Mr. Y. Kathiresan, Senior Director, CSI, Chennai	06/03/2018

2018-2019 CSI Activities

Two-Day workshop on "Ethical Hacking and Cyber Security"

A Two-Day workshop on "Ethical Hacking and Cyber Security" was organized in the CSE Department from 15th February 2019 to 16th February 2019 under CSI Chapter. During the program, resource person, Mr. D. Sai Satish, CEO, Indian Servers, Vijayawada dealt with interesting topics covering various Cyber Security Issues and necessary steps to be taken to secure the data of Laptops and mobile devices.

Seminar on "How To Build Employability Skills Using INTERNET"

Computer Society of India (CSI) student branch of the CSE Dept in association with the Industry Institute Interaction Cell (IIIC), Narayana Engineering College, Nellore organized a Seminar titled "How To Build Employability Skills Using INTERNET" on JANUARY 31st 2019. The resource person Mr. V.Rahul Reddy, CEO of Code & Coffee Pvt Ltd, Hyderabad enlightened the audience on some of the interesting projects and their development through e-resources available , the way they can be useful in career perspective, various Internship programs and sites regarding such practices were discussed.

A Talk on "Machine Learning Concepts"

      The Resource person Dr. Krishna Prasad Ponnekanti, Professor and HOD department of Computer Science and Engineering, SV College of Engineering, Tirupathi, has taken the session on "MACHINE LEARING CONCEPTS".

SEMINAR On DevOps revolution in IT and current trends in agile

      The CSE Department of Narayana Engineering college, Nellore has conducted a seminar on "DevOps revolution in IT and current trends in agile" on 20/08/2018. For this session Mr. M. Vijay Kumar Raju, Delivery Manager, T.C.S, U.K was the resource person.

Guest Lecture on Big Data and Hadoop Technologies

On 18/08/2018 , the CSE department of Narayana Engineering College, Nellore has conducted a Guest Lecture by Dr R. B.V.Subramanyam, Professor in CSE, NIT Warangal on a technology called "Big Data and Hadoop". In this session he delivered a lecture on Hadoop architecture and the application areas of Big Data with real time examples.

2017-2018 CSI Events

Seminar on "Wireless Sensor Networks & its Applications using IoT"

Pic1 Pic2
