DEPARTMENT OF ECE**

NSS Program on “Donation of Rice bags & Snacks to Orphans”

The Department of ECE has organized an NSS program titled “Donation of rice bags & Snacks to Orphans” on 21-4-18. As a part of this program the students donated the rice bags to the orphans who are residents of Heaven Charitable trust,Nellore

This program is started from the college with staff and students. In this program about 30 students and 6 staff members were participated. As a part of the event student volunteers collected money from the staff & students and bought three rice bags of 25 kg each and snacks to donate to the people. It is the essential elements of everyday life to survive. The response was overwhelmingly positive, as attested by student volunteers.

The students and staff are voluntarily participated in this program and felt happy for the opportunity they got to reach out and help those in need. The people who receive the rice bags are happy.
