

**Department of Electronics And Communication Engineering**

**Report on "Awareness on GATE"**

The department of **Electronics and Communication Engineering** conducted "**Awareness on GATE**" under Career Guidance Cell on 14/10/2022. Students of III and IV Year B.Tech students has participated in this event. The resource person for this event was Mr. P. Kishore, Marketing Executive, ACE Engineering Academy. Dr. K. Murali, HOD of ECE introduced the resource person and hand over the session to the resource person.

The session started with an introductory welcome to the resource persons who later on took over the stage to introduce the students to the Graduate Aptitude Test in Engineering (GATE). It is an examination that primarily tests the comprehensive understanding of various undergraduate subjects in engineering and science and as such the resource persons shared bulk information on the nature of exam; exam pattern and the important dates.

***Resource Person explaining about the importance of gate exam***

The benefits that students can seek on a good GATE score were also highlighted and some key benefits which range from an M. Tech degree from IIT's; NIT's and other top colleges across India; Placement in National and International private or public companies such as IOCL, NTPC, BHEL, PGCIL, BARC etc.; Research Fellow: ISRO, DRDO, BARC, CSIR, IITs etc. seemed to have attracted the students.

***Students actively participating in the seminar***

In the end some tips on preparation strategy; tackling the question paper and the statistics about past scores were shared by the resource persons which can be believed to have a significant importance. All the students of III & IV B.Tech-ECE actively participated Awareness on GATE Program. After the completion of event, **Dr. K. Murali, HoD/ECE** appreciated the students for their active participation in the event.

**Mr.V.Sudheer, Coordinator** delivered the vote of thanks.
