

NARAYANA ENGINEERING COLLEGE:: NELLORE

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

REPORT ON "JAM"

ECE department has conducted "JAM" on behalf of "AKHYANA" (students association) on 16/03/2019. Students of II and III Year B.Tech ECE students are participated in this event.

JAM Abbreviation is "**Just A Minute**". In this process, students are asked to speak on "*Global Warming, Water & Power Management, Swatch Bharat, Corruption in India*" for a **minute**. It was conducted for students to improve their communication skills. In this event, any of the students asked to take initiative and speak on the topic for a **minute**.

Advantages through JAM:

- You can show your language skills and can create good first impression
- You can exhibit your communication skills
- You can get an entry in to the next rounds
- You can establish that you are the most suitable candidate for the post.

Don'ts during a JAM Session:

- Don't be nervous
- Don't make grammatical mistakes
- Don't cut short your sentence
- Don't keep silent
- Don't give big pauses & search for thoughts
- Don't use local language phrases
- Let there be no mother tongue influence, use neutral accent.
- Don't be pompous, verbose, don't use flowery language
- Don't beat about the bush.
- Always be- to the point.

******* Certificates & Prizes distributed by head of the department to winners & Runners*******
