REPORT ON BRIDGE COURSE

Title : Mathematics for Later Entry Students

Dates : 20-12-2021 & 24-12-2021

Branch : ECE

Year/Sem: II / I

Department of ECE conducted a bridge course entitled "Mathematics for later entry students" for II-B.Tech ECE students on 20/12/2021 & 24/12/2021. The course was conducted for two days handled by **Dr. Y. Srinivasulu Reddy**, Assistant Professor of FED department. The objective of this course is to provide basic knowledge on engineering mathematics.

The topics covered under this bridge course are:

- Differentiations
- Partial Differentiations
- Logarithms
- Algebra
- Integrations
- Trigonometry

Resource person explaining about Differentiations

In this course **Dr. Y. Srinivasulu Reddy**, Assistant Professor of FED department explained the importance of differentiations, partial differentiations & integrations in engineering mathematics, basic idea about trigonometry and important properties of algebra etc..Nearly 18 Later entry students from II ECE were benefited.
