

NARAYANA ENGINEERING COLLEGE::NELLORE DEPARTMENT OF ECE

MEDICAL CAMP AT TP GUDUR VILLAGE

The ECE department of Narayana Engineering College, Nellore organized a “Medical Camp” at TP Gudur in association with “Narayana Medical College” on 03-10-17. The main objective of this particular camp was to bring affordable healthcare and free health information to the community and identify the common healthy problems of the community in order to devise ways of addressing them, in partnership with “Narayana Medical College”

Furthermore the medical camp provided opportunities to both medical and non medical personnel to give back to the community by way of volunteering their time, energy and expertise. The doctors from Narayana Medical College & Hospital conducted the camp which included General Physical examination, Blood Pressure check-up, BMI check-up, Hemoglobin Check-up etc. Necessary medical advice and precautionary measures were given to them.

Finally, the Incharge of the Medical camp said that “any medical camp could not have been successful without the medical personnel as well as the patients who attended the medical camp.” “A big thank to the team of doctors participated in the camp and we look forward to future partnerships with you to better our communities” stated by HOD-ECE during vote of thanks.
