HOD

NARAYANA ENGINEERING COLLEGE:: NELLORE

Department of Electrical & Electronics Engineering

1. To improve student's communication skills Narayana engineering college, sakala student Association has organized the event on **group discussion** for all EEE students (II, III, and IV STUDENTS) on 10-3- 2018. Such events benefit the students in following ways:

1. Participation adds interest for students
2. Initiate the discussion
3. Speak politely and pleasantly
4. Acquire and apply knowledge
5. Agree with the right
6. Speak confidently
7. Use positive body language
8. Be a team player

2. Guest lecture on “**ELECTROMOTIVE FORCE**” was organized at Narayana engineering college, Nellore, for the students of II B.Tech EEE On 17th march 2018. In this session they discussed the important topics of EMF and also covered the topics to write the competitive exams.

3. Guest lecture on “**Carrier Guidelines & Importance of electrical engineering**” was organized at Narayana engineering college, Nellore, for the students of II B.Tech EEE On 20th March 2018. The session was conducted by our college Alumni

1. B.Vamsikrishna, Capgemini Pvt Ltd Bangalore,
2. B.Sasidhar, Techmahindra, Chennai,
3. G.Deepak Babu, Bosch, Bangalore (Technical),

B.Praveen, Bosch, Bangalore (Technical).In this session they discussed how to improve student's logical reasoning or thinking performance in competitive exams and also discussed important subjects in electrical engineering for government jobs.

4. Guest lecture on “**Carrier Guidelines**” was organized at Narayana engineering college, Nellore, for the students of II B.Tech EEE On 22nd March 2018.The session was conducted by our college Alumni MS.P.Haritha, Wellsfargo,Bangalore(Software).

In this session she enlightened the students how to face an interview and the strategies to be adopted. It also included contents as well as how to frame a Resume when you seek a job and the impact of body language, dressings, confidence etc on the outcome of the interview.

5. On 24th March 2018 Narayana engineering college, Nellore organized the NSS event **Distributing Pamphlets for Safety Precautions Of Electricity** by our students.

This event gives the instructions to the people to investigate accidents and understand the importance of “near miss” identification.

Upon completion of the Accident Investigation seminar, attendees will be able to:

- ◆ Conduct a thorough investigation of accidents and incidents
- ◆ Identify casual factors
- ◆ Identify corrective actions
- ◆ Make recommendations for preventing future accidents

This course is intended for safety committee members, supervisors, Technicians, safety, Line Employees and those employees who may be part of an accident investigation Team.

6. Narayana engineering college,nellore organized Farewell Party “NEVER SAY GOODBYE” on 30th march 2018 at the college auditorium, where students of B.Tech 3rd year bid farewell to the outgoing students of B.Tech final year with great enthusiasm. Function began with a floral welcome of Mr. Dr.G.Srinivasulu Reddy, Principal, Dr.G.Venkateswarlu, HOD of EEE and staff.

Lightning of Lamp was done by Principal HOD followed by prayer song. Principal sir wished good luck to the final year students for their future. He also expressed his hope that students will continue holding best positions in upcoming university exams. Final years gave inputs to 3rd years to go ahead in building their careers. Most of the placed students shared their experiences in interviews such as GD, Aptitude, Verbal Reasoning and HR sessions, faced during campus selections. They even guided their juniors about the various fields that can be opted once they are in Final years and gave suggestions regarding the Universities providing specific courses based upon the students interest and grades. Juniors even got opportunities to discuss about the doubt full issues regarding their career. Students of final year and third year entertained by dances, solo dances, songs and solo songs. Students of final year participated in Ramp Walk, It was an incredible day hosted and organized by juniors. The day ended by capturing memories with photo sessions, the delicious lunch.
