The Department of EEE has conducted the event JAM at 01:30 p.m on 26-09-2023 under the Students Association SAKALA. Students from B.Tech -EEE are actively participated in this event and made this event a grand success.

Just A Minute (JAM) is a special event in which contestants are challenged to speak on a topic for one minute. Just a minute topics need to be such that they don't invite too much of content. A speaker must be able to wrap up the content quickly and this is a bit tough. Having an opening, body and conclusion in just one minute is a real test of a speaker. At the same time, the topic must be easy enough for the speaker to come up with adequate content and that too quickly. Otherwise time gets wasted by the speaker in gathering thoughts.
