Name of the Department.....

Academic Year..... Semester Section

IN THE FOLLOWING TABLE TICK (✓) THE APPROPRIATE CHOICE FOR EACH POINT. 1. Below Average 2. Average 3. Good 4. Very Good 5. Excellent

Name of the Staff Member																																									
Name of the Subject																																									
Lab																																									
Rating →		1	2	3	4	5	1	2	3	4	5	1	2	3	4	5	1	2	3	4	5	1	2	3	4	5	1	2	3	4	5	1	2	3	4	5	1	2	3	4	5
Subject ↓																																									
A	TIME SENSE																																								
1	Attending classes in Time																																								
2	Regularity in classes																																								
3	Completes syllabus of the course in time/Adherence to academic calendar																																								
4	Scheduled organization of assignments, class test, quizzes and seminars																																								
5	Makes alternate arrangement of class in his/her absence																																								
	Sub Total (A)																																								
B	SUBJECT COMMAND/DELIVERY																																								
6	How well did the faculty prepare for the classes																																								
7	Quality of Subject Teaching																																								
8	Communication skills																																								
9	Knowledge base of the faculty																																								
10	Teaching the subject matter																																								
11	Ability to integrated content with other courses																																								
12	creating interest in the subject																																								
13	Refers to latest developments in the field																																								
	Sub Total (B)																																								
C	USE OF TEACHING AIDS/ TEACHING METHODS																																								
14	Uses of teaching aids (OHP/PPT's/other)																																								
15	Blackboard/Whiteboard work in terms of legibility, visibility and structure																																								
16	Uses of innovative teaching methods																																								
17	Usage of E-learning resources																																								
18	Use of various instructional methods and pedagogical initiatives																																								
	Sub Total (C)
