

MOOCs through SWAYAM & SWAYAM PRABHA

The SWAYAM PRABHA is a group of 34 DTH channels devoted to telecasting of high-quality educational programmes on 24X7 basis using the GSAT-15 satellite. Every day, there will be new content for at least (4) hours which would be repeated 5 more times in a day, allowing the students to choose the time of their convenience. The channels are uplinked from BISAG, Gandhinagar. The contents are provided by NPTEL, IITs, UGC, CEC, IGNOU. The INFLIBNET Centre maintains the web portal.

Vision

- To pioneer the transformation of education and learning through the adoption of digital initiatives to promote learnability and research in engineering education

Mission

- To leverage technological advancement in education.
- To promote ethical emerging inclusive instructional technologies to transform education
- To synergistic digital research for teaching and learning process.
- To facilitate opportunities to integrate various facets of education.

Objectives

- Curriculum-based course contents at post-graduate and under-graduate level covering diverse disciplines of engineering and technology.
- All courses would be certification-ready in their detailed offering through SWAYAM, the platform for offering MOOCs courses.
- Curriculum-based courses that can meet the needs of life-long learners of Indian citizens in India and abroad.
