

GUEST LECTURES

February, 2019

A guest lecture on “Career Opportunities for Mechanical Engineers” was conducted for II Mech. students by the Alumni of 2013 -'17 Mr. M. Kartheek and Mr. Ch. Gowtham on 19/02/19.

July, 2019

A guest lecture on “Fundamentals and Industrial Applications of DOM” was given by Mr. P. Niranjn Reddy, Project Director, Jaladhi Automations, Hyderabad for III Mech. Students on 27/07/19.

August, 2019

A guest lecture was conducted on 23/08/19 for 38 students of II, III and IV Mech. students on the topic “THERMAL ANALYSIS OF STEAM BOILERS USED IN POWER PLANTS”. The Resource Person for this programme was Mr. P.Bhanu Pradeep kumar, Senior Engineer, SEMBCORP POWER & UTILITIES, Nellore.

September, 2019

A guest lecture on “Advances in Mechanics of Solids” was conducted on 21/09/19 by Prof. S. NARASIMHA RAO, IIT Madras. The participants are 72 students of II & III Mech.

BRIDGE COURSES

BRIDGE COURSE

July, 2019

Bridge course was conducted for the subject “Engineering Mechanics” by Mr. K. RAMESH on xx/xx/xx in 1, 2, 3 periods for II year students.

Bridge course was conducted for the subject “Fundamentals on Mathematics ” by Mr. M. VENKATESWARA REDDY on xx/xx/xx in 5,6,7 periods for II year students.

Bridge course was conducted for the subject “DMM - I” by Mrs. G.V. NAGAMANI on xx/xx/xx in 5,6, 7 periods for III year students.

Bridge course was conducted for the subject “Basics of Thermal Engineering” by Mr. V. RAVINDRA on xx/xx/xx in 6,7, 8 periods for III year students.

January, 2020

For II and III year students(94 Nos.) for the subjects TE – I and FEM – Academic activity – in association with Academia – 07/01/20 and 08/01/20.

Important Thermodynamic concepts related to TE – I – by B.V.R.M. KUMAR – 07/01/20

Fundamental concepts of Basic Engineering Mathematics – by Mrs. M. AYESHA BEGUM – 09/01/20

Applications of Basic Engineering Mathematics in FEM – by Dr. Y. Srinivasulu Reddy – 07/01/20

Fundamental concepts of Heat Transfer – by Mrs. G.V. NAGAMANI – 08/01/20

WORKSHOPS

January, 2020

41 students of all Engineering branches attended 2 day work shop on “Robotics” – II Club activity – in association with Academia – 10/01/20 and 11/01/20.
