#### Brief Description of the Event :

Department of Computer Science Engineering of Narayana Engineering College, Nellore organized an Awareness Program on World Suicide Prevention Day at our campus in association with NSS Unit of NECN. We invited Mr.A.Prasad, Social Activist; He said that Statistics say that the more educated the person, the less likely he or she will commit suicide. This is because of the awareness he or she has been exposed to. If so then, what about the uneducated who are beyond the reach of the media? Who misses out on the suicide prevention awareness programmes and who don't read NO TO SUICIDE on billboards, posters and hand outs, much less who can't read them. He interacted with our students of NECN. 33 students and 05 staff members have actively participated in the event.
