9	Enclosures	1. Report 2. Photos		

Department of Computer Science and Engineering, Narayana Engineering College, Nellore in Association with NSS-NECN, Nellore organized National Cancer Awareness program at our campus on 07-11-2021. We conducted the program with an objective to create awareness among the students regarding Cancer by Dr. S. LAVANYA, M.D (OG), Dept of OBG Naryana Medical College and Hospital, Nellore. First Dr. C.RAJENDRA garu HoD, Dept of Computer Science and Engineering given introduction speech to National Cancer Awareness Day is all about informing those you love about the prevention of cancer. Look online or give an information booklet to generate awareness on how to avoid getting cancer and how to look for signs of early symptoms.

Then Dr. LAVANYA Garu explained about Cancer is one of the deadliest diseases, fighting which requires a lifetime of courage and sacrifice. Well, in modern times, with the advancement of technology, cancer treatments have also been more advanced, however, many people in our country still die of lack of treatment. National Cancer Awareness Day is observed on November 7 in India. The day highlights the significance of increased awareness about cancer prevention and early detection for the general public. National Cancer Awareness Day is observed on 7th November to coincide with

the birth anniversary of the Nobel-prize winning scientist Madame Curie. Born in Warsaw, Poland in 1867, Marie Curie is remembered for her discovery of radium and polonium, and her huge contribution to the fight against cancer. Her work led to the development of radiotherapy for the treatment of cancer.

Then she interacted with the students and clarifies their doubts on Cancer and importance of early detection of cancer can be life-saving. Every year, make sure to book an appointment and get tested. About 8 staff members and 120 students actively participated in this event.

3. A REPORT ON FOOD DISTRIBUTION TO FLOOD HIT AREAS

1	Name of the Activity/Event	FOOD DISTRIBUTION TO FLOOD HIT AREAS		
2	Date of Activity/Event	26/11/2021		
3	Organized by/Name of the committee	Department of Mechanical Engineering		
4	Place of Activity/event	Chaluchinthala colony and Stove Beedi Colony, Nellore.		
5	Type of activity/Event	Societal help		
6	Activity/Event objectives	To aid the survivors of flood hit areas with essential supplies like non-perishable food and water.		
7	Participation	Staff	Students	Total
		2	11	13
8	Enclosures	1. Report 2. Photos		

A Brief Description of the Event:

Department of Mechanical Engineering has collected funds from our staff and students, to help flood hit areas of Nellore. Students were sent to analyze the situation and make note of what supplies would be more useful to the victims. This enabled us to effectively utilize the donation. So, instead of supplying them with regular rice which was in excess, we supplied them fresh water and longer lasting foods like freshly baked bread and biscuits. The donations were used to purchase and distribute 350 such parcels in the areas of Chaluchinthala colony, and Stove Beedi Colony, Nellore, where, the support was weak.

Report on Flood- Relief Activities of Narayana engineering College, Nellore (A.P)

Narayana Engineering College, Nellore along with its educational roles, has always actively and constructively intervened for the socio-cultural upbringing of the vicinity it is situated in. Both student community and faculty of the college contribute much toward the goal. Management team has also extended its helping hands for such charity-oriented initiatives. Distribution of services and products are majorly made through, and made possible with the help of the student organizations.

Team NSS

National Service Scheme Units, **Department of MBA** of Narayana engineering College, Nellore, actively participated in various rescue activities during flood time. More than 25 volunteers participated in different rescue camps. Volunteers collected food materials like rice, cereals, vegetables; collected materials were well packed by student volunteers in camp sites and helped for distribution. Volunteers visited various rescue camps also.

Staff coordinators and students of NSS attended rescue and relief camp at Venkatesh puram (saluchinthala) near Penna River at Nellore, (A.P).

9	Enclosures	1. Report 2. Photos		

Brief Report of the Event:

(Department of MBA, NSS Unit of Narayana engineering college & PINAKINI YOUTH WELFARE ASSOCIATION are jointly celebrated the International Human Rights Day on December 10, 2021 in Narayana Engineering College, Nellore.

On this occasion, we welcome Honorable guests are:

1. Mr. A. Mahendra Reddy Garu - NYK, District youth officer
2. Dr. Uday Sankar Allam Garu - NSS Programme Co-Ordinator
3. K. Murali Mohan Raju-President (PYWA)
4. T. Venkateswarlu (Motivator)
5. Dr. M. Chandra Mohan Reddy- Professor In-charge of CEA – NSS
6. Dr.G.Dhananjhay – Dean-MBA
7. Dr. R.Vani & Dr. T. Sudheer – HOD'S of Department of MBA

The stage was chaired by the Honorable guest Mr. M.Mahendra Reddy Garu.

Welcoming the guests

Honorable dignitaries spoke a few words about international human rights day to students and gave a message to the students on the importance of education also.

Students attending towards the program

Felicitating the Chief Guest

As part of the celebrations of the International Human Rights Day the department of MBA conducted many programmes for the students. We conducted elocution, essay writing for students. the topics for the essay writing competition being my ideal faculty, further the themes for the elocution was child labour, right to education and child rights. It was decided by the MBA team that the preliminary rounds of the competitions will be held and the final winners shall be awarded on the 10th December 2021.

Certificate Presentation to the Participants

The MBA team along with volunteers from the department of MBA on 4th December 2021 visited all the departments in college and briefed the faculty about the competitions that were going to be held in the department of MBA. Further the department of MBA was also informed about the rules, regulations, themes, the number of students to be participating etc.

The student volunteers with the MBA conducted Elocution and essay writing competitions at MBA seminar hall on 7th December 2021. There were all the students in various departments participating and there were around 85 students participating in all the events. The volunteers collected all the essay writing and were judged internally by the faculty members. The same procedure was followed for the elocution.

The event on 10th December 2021 started at 2:00 pm. All the students from different departments assembled at the quadrangle by 2:00 pm.

		6	190	196
9	Enclosures	1. Report 2. Photos		

Brief Report of the Event:

Prof. G. Venkateswarlu, HOD, Dept.of EEE, and welcomed the participants and address the gathering. Dr.Akhib Khan Bahamani, Professor, Department of EEE, gave introduction to the programme to all. Around 190 students have participated in this programme. This programme was coordinated with the help of all the faculty members of EEE. Programme was started on 14th December 2021 with the help of lighting of the lamp followed by the prayer song. Day 1 the session was started Dr.K. Srinivas Superintendent Engineer AP Transco, Nellore. He also added the importance of energy efficiency, frugality in energy use and various energy efficiency measures being taken up by the state government.

Day 2 session was started essay writing competition. Many students were participated in essay type competition on Energy conservation. Around 95 students are participated in easy writing competition. Day 3 the session was started with technical quiz on energy conservation.

Around 119 students are participated in this activity. Day 4 session was started with power point presentation. Around 44 students are participated in this competition. Finally the programme was ended with students rally on energy conservation.

The schedule of program is as follows

Tuesday	Inaugural function followed by Technical talk on Energyconservation by Dr.K.Srinivas superintendent Engineer, AP Transco, Nellore
Wednesday	Essay writing competition.
Thursday	Technical quiz.
Friday	Power point presentation.
Saturday	Students rally on energy conservation.

REPORT ON NATIONAL CONSUMERS DAY

Department of MBA celebrated the National Consumer Day on December 24, 2021 in Narayana Engineering College, Nellore (AP).

On this occasion, we welcome Honorable Dignitaries to occupy the chair:

1. Dr.G.Dhananjhay (Dean-MBA)
2. Dr. M. Chandra Mohan Reddy- Professor In-charge of CEA – NSS
3. Dr. G.Vani -Academic HOD - Department of MBA
4. Dr. T. Sudheer- Administrative HOD - Department of MBA

Honorable dignitaries spoke a few words about National Consumers Day to the students and also convey the information about consumer's rights, duties and importance of consumer protection act.

The events on 24th December 2021 started at 3:00 pm. All the students from different departments assembled at the quadrangle by 3:00 pm.

All the students from different departments attended this program and also participated to give speech about consumer protection act. It creates awareness among students about consumer rights and responsibilities as well as highlights the importance of consumer protection. This program enriched the knowledge of students about the various effective measures under consumer protection act that aims to provide effective safeguards to consumers against various forms of exploitation, such as bad goods or bad services and unfair trade practices.

This day provides an opportunity for students to highlight the importance of the consumer movement and the need to make every consumer more aware of their rights and responsibilities.

A Brief Description of the Event:

Department of Mechanical Engineering in association with Department of Electronics and Communication Engineering of Narayana Engineering College, Nellore has organized an awareness program to reduce or avoid the use of single use plastic. In this regard, HOD of ECE, Dr. K. Murali addressed the gathering and explained the harmful effects of plastic, and urged us to ban the usage of single use plastics. Further, HOD of Mechanical department, Dr. AVS Sridhar sir explained about the alternatives to plastic, while encouraging us to do research in the field, so that, we could do more than just reduce, reuse and recycle the plastic. He hopes that we could soon recover used plastic, which would prolong the lifetime of plastics.

6	Type of activity/Event	Awareness Program		
7	Activity/Event objectives	The program's main goal was to raise students' awareness of cancer and the significance of early cancer detection, which can save lives.		
8	Participation	Staff	Students	Total
		4	48	52
9	Enclosures	1. Report 2. Photos		

A Brief Description of the Event:

The World Cancer Day Awareness programme was held on our campus on February 24, 2022, and it was organized by the Department of Mechanical Engineering in collaboration with NSS UNIT, Nellore. Dr. T. LAKSHMI of the Red Cross Cancer Hospital in Nellore helped us organize the event with the intention of educating the pupils about cancer.

The purpose of World Cancer Awareness Day is to educate those you care about how to prevent cancer, according to Dr. A.V.S.Sridhar Gaaru, Department Head of Mechanical Engineering.

Then Dr. T. LAKSHMI, Garu, spoke about how cancer is one of the worst diseases and that it takes a lifetime of bravery and commitment to combat. Although cancer therapies have improved with the development of technology in recent years, many Americans still lose their lives due to a lack of access to these treatments.

India celebrates World Cancer Awareness Day on February 4. The relevance of greater public knowledge of cancer prevention and early detection is highlighted by the day.

She then spoke with the youngsters and addressed their questions about cancer, emphasizing the value of early cancer detection and how it may save lives. Make sure to schedule a test appointment each

year. Approximately 4 staff members and 48 students took part in this activity.

Brief Report of the Event:

Department of Electrical and Electronics Engineering and NSS Unit organized a “free dental checkup camp” at Narayana Engineering College Campus in collaboration with Narayana Dental College & Hospital on March 11th 2022. A team of specialist Dental Surgeons carried out a comprehensive dental checkup on students, faculty and staff members.

Total 86 students were undergone checkup. Basic oral checkup and scaling were carried out at camp only however rigorous cases were referred to Narayana Dental College & Hospital. The students got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases.

Dr. A.V.S.Prasad (Director), Dr.G.Srinivasulu Reddy (Principal), Dr.G.Venkateswarlu (EEE HOD), Dr.M.Chandramohan Reddy (NSS Programme Officer), thanked the dental surgeons, the event coordinators, Dr.Suneel and Dr.K.Krishna for rendering moral and selfless service to the Institute.

8	Participation	Staff	Students	Total
		6	62	68
9	Enclosures	1. Report 2. Photos		

Brief Report of the Event:

NSS Unit organized an “**Awareness Rally on Sunstroke**” program held at Padugupadu village, Nellore on 14th March 2022. The chief guest Mr.Srihari (Mandal Parishad Development Officer –MPDO-KOVURU), Mr. Krishnamurthy (Panchayathi Secretary-EO - Padugupadu), Mr.Dinesh Reddy-DLDA Director, Mr.Bhaskar Reddy-Jala Jeevana Mission Chairman, Mr. Kishore Singh, State Bondili sangham chairman, Mr. Lakshmi Narayana, Padugupadu Sarpanch, Kovuru, Mr.Ahamed Upa- Sarpanch and other dignitaries were welcomed by NSS volunteers..

NSS Programme Officer **Dr.M.chandramohan Reddy** emphasized the role of National Service Scheme (NSS) in the community service.

The Methodology is to create the awareness on Sun Stoke among the people of Padugupadu village through door to door campaign and distribution of pamphlet.

62 volunteers actively took part in the event and participated in Awareness rally in

Village streets. Volunteers explained the precautions to avoid sunstroke are:

1. **Drink** lots of **liquids**.
2. Maintain the **body** at a **normal temperature** when doing outdoor activities.
3. Stay **clear of alcohol and caffeine** because they can **cause dehydration**.
4. **Wear light colored and loose-fitted clothing** and **take breaks often to get a drink and keep the body water level**.

All the villagers supported a given motivation to conduct more events in the same village in near future.

Impact:

The people of Padugupadu realize the effects of sunstroke and started to take the measures to avoid their exposure to sun stroke.

All the villagers supported and given motivation to conduct more events in the same village in near future.

25. A Report on Free Health Checkup Camp

Brief Report of the Event:

A free Medical Health Check-up camp was organized by NSS Unit of Narayana engineering College in Association with Narayana Medical College. The health check-up programme started at around 09:30am at Panchayat office in padugupadu village along with Dr. J.H.T.Jyothi (General Physician), Dr.K.Mamatha (Dental), NSS Programme Officer (Dr.M.chandramohan Reddy), and team from Narayana Medical College, Nellore.

Adopt a Patient program has been started where free medicines has been provided and follow ups to very sick patients who otherwise could not afford medical care. We are already taking care of one of the patients under this program.

General health checkup was done for people of padugupadu. 96 people enrolled their names for camp out of which 60 for General Health checkup and 36 for Dental checkup. Free drugs were dispensed. Main complaints among the adult population were related to back pain and knee pain and were treated symptomatically. The program was successfully conducted.

Narayana Medical College & Hospital, Nellore General Physician and Dental Doctors are examining the people of padugupadu at Medical Camp.

Dr. J.H.T.Jyothi (General Physician)

Dr.K.Mamatha (Dental)

Free Medical Checkup at Padugupadu Village, Kovur, Nellore

CONCLUSION: As we aware that Pros and Cons are two sides of the coin that is why, I conclude that the whole free health Checkup Camp was very helpful for the villagers of padugupadu. However, in future, if possible free health Checkup Camp should try to increase the nos. of participants to be screened as in interior places people are deprived from basic healthcare facilities.

LIST OF MEDICINES DISTRIBUTED DURING THE FREE HEALTH CHECK UP CAMP:

S.No	MEDICINE LIST
1	DOLO 650 mg
2	PENTAB 40 mg
3	OKACET 10 mg
4	Becosules
5	RESWAS SYRUP

Estimated no. of beneficiaries (with bifurcation SC/ST/OBC/General) as follows

S.NO.	PARTICULARS	NOS.
1	Total beneficiaries catered during the Health checkup camp	100
2	Total Male catered during the camp	40
3	Total Female catered during the camp	60
4	Total Schedule caste catered during the camp	70
5	Total General Caste catered during the camp	30

ఆరోగ్యం పట్ల ప్రత్యేక జాగ్రత్తలు తీసుకోవాలి

కోవూరు, మార్చి 15 ప్రభాతవార్త : సమాజంలో నివశించే ప్రతి ఒక్కరూ ఆరోగ్యం పట్ల ప్రత్యేక జాగ్రత్తలు తీసుకోవాలని నారాయణ వైద్య కళాశాల వైద్యులు డాక్టర్ జేహెచ్బీ కావ్య తెలిపారు. కోవూరు మండలం పడుగుపాడు లోని గ్రామ పంచాయతీ కార్యాలయ ప్రాంగణంలో మంగళవారం కళాశాల ఎస్ఎస్ఎస్ యూనిట్ ఆధ్వర్యంలో ఉచిత వైద్య శిబిరం నిర్వహించారు. ఈ సందర్భంగా పలువురు వైద్యులు మాట్లాడుతూ ప్రధానంగా మానవుని శరీరంలోని పళ్లు పట్ల కూడా పలు జాగ్రత్తలు తీసుకోవాలన్నారు. లేనివక్షంలో ఇబ్బందులు పడే పరిస్థితి వస్తుందన్నారు. ఈ సందర్భంగా 110 మందికి వైద్య పరీక్షలు నిర్వహించి మందులు పంపిణీ చేశారు. ఈ కార్యక్రమంలో గ్రామ సర్పంచ్ లక్ష్మీనారాయణ, పంచాయతీ కార్యదర్శి కృష్ణమూర్తి, ఉపసర్పంచ్ అహ్మద్, ఎస్ఎస్ఎస్ కోఆర్డినేటర్ ఎం. చంద్రశేఖరెడ్డిలు పలు సూచనలు చేశారు.

9	Enclosures	1.Report 2.Photos		

Brief Report of the Event:

At the Z.P. High School and Padugupadu Village in the Kovuru Mandal of the Nellore district, there is awareness of the planting of saplings. To raise awareness about sapling plantation, the volunteers strolled through Padugupadu. To engage the public, they displayed banners. The sapling plantation was still unknown to the residents of the village. 64 volunteers and Dr. M. Chandra Mohan Reddy, NSS Programme Officer, took part in this activity.

With the help of banners the volunteers, did door to door step in the village, to promote the importance of “Sapling Plantation”. Nearly 100 saplings were planted in the village

and school as a part of village adoption. The program which was indented to promote environment development went on successfully with the close cooperation and involvement of village people and the NSS Student Volunteers.

SK Shaik Raheem- (Mandala Education Officer-MEO-Nellore District) explained about the Sapling plantation for ZP High School Children's. He said that trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe.

NSS Students interact with the villagers and School Children's and explain about the trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. According to the U.S. Department of Agriculture, "One acre of forest absorbs six tons of carbon dioxide and puts out four tons of oxygen. This is enough to meet the annual needs of 18 people." About 6 staff members and 64 students have actively participated in the Tree Plantation and planted the saplings in an organized way at padugupadu Streets and Z P High School campus.

Photographs of Sapling Plantation:

Sapling the plantation in ZP High School at padugupadu village.

Plants distributed to Z P High School at padugupadu Village

ZP High School Head Master Mr. Mohan Rao Sapling the Plantation

IMPACT OF SAPLING PLANTATION

The Community of padugupadu village understood the importance and benefits of the urban forest and the tools to maintain and improve it. This will begin with planting trees in the High Schools and continue with around the village. A public that understood the benefits is more likely to plant, maintain, and enhance the space around their homes and communities. This will result in a healthier urban forest.

27. A Report on Awareness on School Dropouts

Brief Report of the Event:

Awareness on School Dropouts at Village and Z.p.High School padugupadu, Kovuru Mandal, Nellore district. They showcased banners to interact with the School children and Village people. The village people were still not aware about the School Dropouts. NSS Programme Officer (Dr.M.chandramohan Reddy) and 62 volunteers participated in this event.

We noticed from the words of the parents of our students in parents' meet that in their villages children are dropping their studies. Family's poor financial background, unawareness of the fruits of education or

uneducated parents raises the number of drop outs. As highly qualified professionals of Narayana Engineering College, NSS Unit has organized an “Education – Awareness Program for School Drop outs” at padugupadu, ZPP High School, SPSR Nellore District.

Our faculty members and students gathered the dropouts of that school along with their parents and counselled them.

As a part of this NSS student Volunteers and First year students participated in the event. The program was initiated to create awareness about importance of education for dropout students, so that it will benefit the society and themselves as well. Many of us are better regarding financial condition so we are able to continue education till now...but this is not same for everyone.

Head Master Mr. Mohan Rao and Mr. Krishnamurthy (EO) explained about the school dropout, many people are unable to make their children educate due to their financial conditions, gender bias and many other reasons. So to witness the true side of society why many drop outs are still occurring especially in case of girls.

NSS Programme Officer and Student Volunteers went home to home in village and asked whether their children are studying or not? If no, we asked for the reasons and we told them the importance of education and how it creates impacts on life.

“Education replaces empty mind with positive thoughts.”

Faculty created awareness on children’s ‘Right to Education Act’ (RTE) of which most parents were unaware of free education, they were explained about free distribution of textbooks and uniforms, participation in extra-curricular activities and sports in school, hot midday meals for all children, health care and so on.

Our faculty members shared the information on various schemes like Shiksha Sahayog Yojana, Sarva Shiksha Abhiyan etc., started by the government with the parents of the dropout students. 62 students and 6 staff members have

participated in the event.

Executive Officer explaining the importance of education to school dropouts.

NSS Programme Officer explaining the importance of education to school dropouts.

IMPACT:

The parents of wards and children's understood the importance of continue of education to lead best career.

28. A Report on Awareness on Covid 19

1	Name of the Activity/Event	Awareness on Covid 19		
2	Date of Activity/Event	18-03-2022		
3	Organized by/Name of the committee	NSS UNIT, Narayana Engineering College, Nellore		
4	Place of Activity/event	Padugupadu village		
5	Association with /Collaborationwith /organization	Z.p.High School padugupadu, Kovuru Mandal, Nellore district		
6	Type of activity/Event	Covid 19 Awareness among the villagers and ZP School Children's.		
7	Activity/Event objectives	1. To create awareness among the villagers and ZP School Children's. 2. To bring hope into the People that all are together in these Times of Crisis. 3. To educate Villagers about new strain of Corona.		
8	Participation	Staff	Students	Total
		6	62	68
9	Enclosures	1.Report 2.Photos		

Brief Report of the Event:

At the village and Z.P.High School in Padugupadu, Kovuru Mandal, Nellore district, there is awareness of Covid 19. To raise awareness of COVID 19, the volunteers circulated through the streets of Padugupadu. They displayed banners to engage the public. The Covid 19 was still unknown to the villagers. 62 volunteers and the NSS Programme Officer (Dr. M. Chandra Mohan Reddy) took part in this activity.

National Service Scheme (NSS) has conducted “**Awareness on COVID Vaccine**” on 18-03-2022 in one of the village adopted by the Narayana Engineering College i.e. Padugupadu. As a part of this NSS Volunteers from NSS Unit students participated in the event.

On the day of the event, all the 45 NSS volunteers along with faculty started from padugupadu to create awareness on Covid Vaccine.

At present the most dangerous news is all about corona virus. The cases are increasing gradually day by day. So we planned to give awareness regarding corona virus to the villagers so that they will not get afraid about it. The aim of this is to provide the base knowledge regarding corona virus so that preventive measures can be taken up effectively and timely. We urged the people not to believe in unauthenticated and false news spreading by social media. We have given information about corona and along with the precautions and symptoms.

“STAY ALERT CONTROL THE VIRUS SAVE LIVES”

NSS Student Volunteers went through the streets of the village and explained through Pamphlets and slogans that maintaining social distance, wearing mask and using soap or sanitizer for hands protects the individual from novel corona virus infections. The rally also emphasized on keeping hands clean through proper methods of hand washing before eating and after defecation which keeps one free from disease causing bacteria and viruses

NSS Programme Officer explained about the mode of infection and control measures for COVID-19. He explained that COVID-19 is an infectious disease caused by novel Corona virus. It can also be transmitted from person to person. This virus spreads through droplets of saliva or discharge from the nose when an infected person coughs or sneezes. The disease is contagious and dangerous leading to deaths among human beings. The symptoms of COVID-19 H1N1 are fever, dry cough, headache, cold, sore throat, diarrhoea, loss of smell or taste etc. It is recommended to visit the doctor as soon as a person suffers any of these symptoms.

He suggested the following steps to keep COVID-19 away:

1. The best way to prevent COVID-19 is maintaining social distance.
 2. Highly recommended to wear masks on mouth and nose so that they do not intake the virus from the environment.
 3. Wash your hands properly using soap or sanitizer. This prevents the virus to get into the body and infect us.
 4. Avoid contact with people infected with corona virus.
- Volunteers have covered the households by campaigning door to door in the village and distributed the pamphlets.

ముందు జాగ్రత్తలు పాటించండి. కరోనా వైరస్ సంక్రమణ అరికడదాం.

మిమ్మల్ని మీరు
రక్షించుకోండి

కరోనా వైరస్

బారి నుండి సురక్షితంగా ఉండండి.

Creating awareness on Covid-19 and Vaccination At padugupadu ZP HighSchool

IMPACT:

- Remember the Fight against Pandemic and Oneself during these unprecedented Times.
- Remember the required Precautions to be taken to Prevent Spread of Disease.
- Promote Hygiene and Sanitation in and around the Place of Work.
- Promote knowledge of fighting against COVID 19 among Family and Friends

29. A Report on Awareness Rally on Ban on Plastic

1	Name of the Activity/Event	Awareness Rally on Ban on Plastic		
2	Date of Activity/Event	19-03-2022		
3	Organized by/Name of the committee	NSS UNIT, Narayana Engineering College, Nellore		
4	Place of Activity/event	Padugupadu village		
5	Association with /Collaboration with /organization	Z.p.High School padugupadu, Kovuru Mandal, Nellore district		
6	Type of activity/Event	Awareness Rally on Ban on Plastic		
7	Activity/Event objectives	To create enthusiasm among masses for forest conservation and planting trees 1. To spread awareness in the society on 'ban plastic'. 2. To spread awareness regarding the use of paper as an alternative to plastic.		
8	Participation	Staff	Students	Total
		6	62	68
9	Enclosures	1.Report 2.Photos		

Brief Report of the Event:

Awareness on Ban on Plastic at Village and Z.p.High School padugupadu, Kovuru Mandal, Nellore district. The volunteers walked the streets of padugupadu to spread awareness on Ban on Plastic. They showcased banners to interact with the people. The village people were still not aware about the Ban on Plastic. 62 volunteers and the NSS Programme Officer (Dr. M. Chandra Mohan Reddy) took part in this activity.

Panchayat Executive Officer flagged off the rally explained and he said that it is evident that it takes years to completely destroy a piece of plastic. We see tanks, roads and dustbins choked with plastic causing problems for our future generations. If we create more awareness of the concept of source segregations and provide alternatives to plastic bags, straws and plates (single use plastic),

we can do our part in saving the earth”.

NSS Programme Officer explained the consequence of Ban on plastic and “Reduce, Reuse and Recycle concept of plastics”. He said that RRR formula must be followed by every individual to minimize the harmful effects of plastic pollution on human beings, plants and animals. He suggested not buy things that come in wasteful plastic packaging or that cannot be recycled. He also suggested using stainless steel or copper water bottles instead of bottles that were made from plastic.

But still people use the disposable plastics, without a concern for our future generation. So, in order to spread awareness amongst the public to reduce and replace plastic, a Ban on Plastic RALLY was organized on 19th march 2022 at paugupadu Village by the NSS Special camp Team nearly 62 students and 6 staff members of Narayana Engineering College, Nellore, participated in the rally.

The Students with slogans to create awareness on the ill-effects of using the plastic. It's the responsibility of every citizen to leave this earth GREEN for our future generation.

Creating awareness on Ban on Plastic among the people of padugupadu Village

Impact:

- Students understood and spread awareness about the ill effects of using plastic.
- Students understood that as the today's youth it is their responsibility to create awareness in the society and persuade the people to say NO to PLASTIC.

5	Type of activity/Event	Essay writing Competition		
6	Activity/Event objectives	To showcase various developmental ideas considering technology on the eve of National Technology Day.		
7	Participation	Staff	Students	Total
		4	138	142
8	Enclosures	1. Report 2. Photos 3. Attendance		

A Brief Description of the Event:

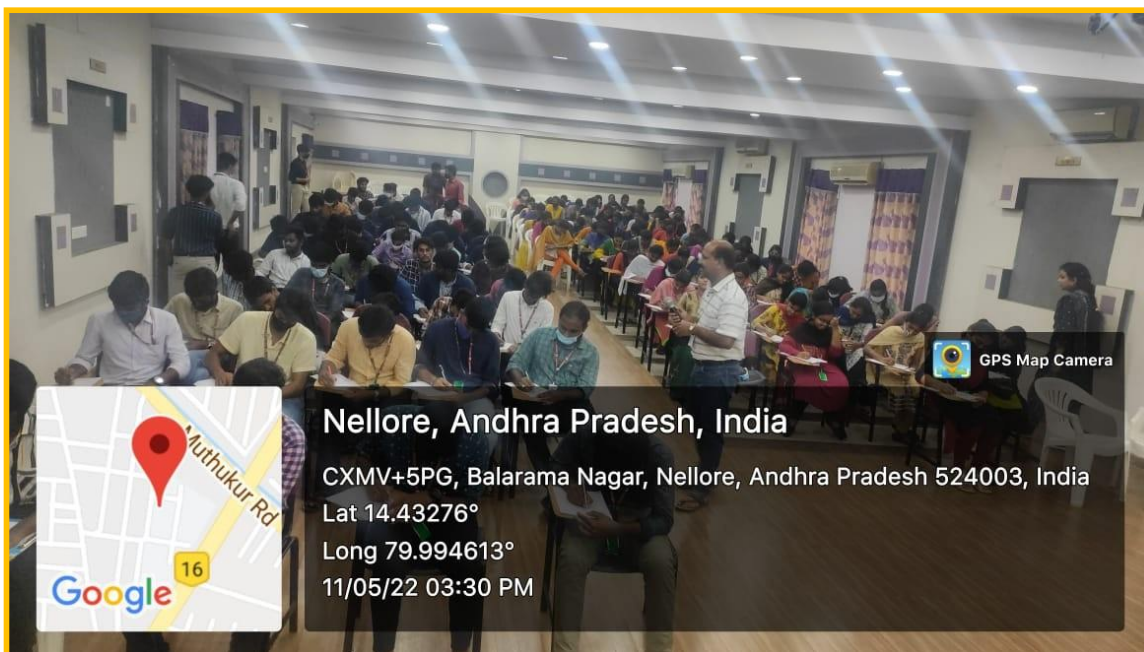

In eve of National Technology Day, the department of ECE and NSS Unit has organized “Essay Writing Competition” on behalf of “AKHYANA” (students association) on 11.05.2022. The competition was written type where the students showed up their knowledge in the way they see this enthusiastic world and how engineers can contribute it enormously comprising the topic “TECHNOLOGY ENHANCES CREATIVITY”.

National Technology Day is celebrated on May 11 every year to honor the contributions of India’s scientific community including scientists, researchers and engineers. The significance of the date lies in the series of technological advancements the country achieved on the day decades earlier.

On May 11, 1998, India broke into the small group of countries that hold nuclear weapons. On that day, India successfully carried out nuclear tests at the army’s Pokhran test range in Rajasthan. In doing so, India became the sixth country to join the 'Nuclear Club'.

Dr. K. Murali, addressing the students about the importance National Technology Day

Students participating in the Essay Competition

Students from different departments were participated in this competition. Forms were received from students of almost all departments.

Overall, 90 students from the Institute submitted their essay's. Considering these responses, the student association selected 10 best essays out of 90 by rating them over 6 various parameters-

- Creativity,
- Structure,
- Grammar,
- Adherence to Topic,
- Length & Wow-Factor.

Further the event was judged by Dr. K. Murali, Head of the Department, ECE. He selected 3essays as winners of participants namely:

A Brief Description of the Event:

A drug Abuse, Drunk & drive and traffic rules awareness program was conducted in the institute under NSS UNIT and District Youth welfare SETNEL, Nellore on 27-05-2022. Mr.Md.Abdul Subhan (DSP Traffic), Mr. K.P.Kishore Inspector SEB Station, Nellore-I, Mr. D.Pullaiyah SETNEL CEO Nellore, Yuvajana Nehru Kendram Mr.Mahendra Reddy and Mr. Venkateswarlu social worker, Nellore was invited as a chief guests for creating an awareness on the drug Abuse, Drunk & drive and traffic

rules, in a comprehensive manner, Mr. K.P.Kishore in his motivational speech informed that every day India sees 10 suicides related to drug abuse. He also added that a report by the central government demonstrated that the vast majority of youth are receiving drug and alcohol prevention messages from sources such as TV, radio, posters and pamphlets, Movie ads and campaigns as this. Furthermore, the report on its special analysis showed that those who have been exposed to such messages are significantly less likely to abuse drugs. Principal Dr.G.srinivasulu Reddy this event stated that youth are the largest force of our nation and it must be directed in a positive way for their happy, healthy and holy living. Dr.G.srinivasulu Reddy expressed that youth only can save themselves by conducting large number of events campaigning the anti-drug messages to make a significant impact in the society. He said Government of AP is taking all necessary measures about bringing awareness in to the public via TV, radio, posters, pamphlets and movies advertises on anti-alcohol and drug prevention messages in the past 2 years rigorously. Mr.Md.Abdul Subhan (DSP Traffic) said that this event creating traffic awareness among students was very important as it makes them aware about the importance of their and others life. Students should come forward and follow the traffic rules obediently. Everyone should wear helmets and seatbelts while driving the vehicle. Be aware and also aware others. Foreign country implies traffic rules properly which cause more safety on roads than ours, where having accident on road is story of everyday. Follow the traffic rules it is very important. Mr. Md.Abdul Subhan also requested students to be careful while driving on the roads as accidents not only brings pain to the injured but also to the loved ones. In this event, Principal, ECE HOD Dr.K.Murali, NSS Programme Officer Dr.M.Chandramohan Reddy, SETNEL In-charge Mr. Sriman Narayana and faculty members along with 78 students were present as decent audience.
