

**DEPARTMENT OF CIVIL ENGINEERING**

**Date: 19-12-21**

**CIRCULAR**

This is hereby informed to all II Year students that our department is planned to conduct a Value -Added course on “**3D modelling using SKETCHUP software**” in Association with ASSISTIVE CADD, Nellore. All the students are advised to undergo the program scheduled from 21/12/21 to 31/12/21. All the students are required to enroll their names for the above course, to get benefitted from the course.

Students are required to enroll their names for the above course, to get benefitted from the value added course. Students should register their name with Ms.I.Bhuvana Rekha, Assistant Professor, Civil on or before **20/12/21**.

**II Year :**

**HOD – CE**

From  
Head of the Department,  
Civil Engineering,  
Narayana Engineering College,  
Nellore.

Date: 16.12.2021

To  
Mr.V.Surendra,  
Manager,  
Assistive Cadd Centre,  
Nellore.

Sir,

Sub: Request letter for conducting Value Added course – Reg.,

Narayana Engineering College was established in the Year 1998, in Nellore town of Andhra Pradesh by the Narayana Educational Society. The college is approved by AICTE and Permanently Affiliated to JNTUA, Anantapur, ISO 9001:2008 certified institution, recognized by UGC U/S 2(f) & 12(B) and “A+” grade by Govt. of AP. Very few private Engineering colleges get the status and we are proud to be among the very few. The college is a co-educational institution having a total intake of over 990 students in various U.G. and P.G. programs with total students’ strength of over 3500.

As a part of academic requirements, we are sending a letter of intent to conduct Value Added course on **“3D modeling using SKETCHUP software”** going to conduct from 20/12/21 to 30/12/21 for the Civil engineering students. I will assure you that our students are very interested in learning the above course.

Thanking You,

Your Faithfully,  
HOD-Civil

### DEPARTMENT OF CIVIL ENGINEERING

A.Y.2021-2022

### REPORT ON VALUE ADDED COURSE

1	Name of the Activity/Event	3D modelling using SKETCHUP software		
2	Date of Activity/Event	21 <sup>th</sup> to 31 <sup>th</sup> December 2021		
3	Organized by/Name of the committee	Department of Civil Engineering		
4	Place of Activity/event	A- Block.		
5	Resource person/guest/organization	Mr.Shaik Thousid, Assistive CADD Trainer, Nellore.		
6	Type of activity/Event	Value Added Course		
7	Activity/Event objectives			
8	Participation	Students	Faculty	Total Participation
		31	-	29
9	General remarks			
10	Suggested Improvements			
11	Enclosures	1. Schedule 2. Brochure 3. Attendance Sheet		
12	Signature of In-charge/convener			

The Department of Civil Engineering conducted a Value - Added Program on 3D modelling using SKETCHUP software – in with Assistive CADD Pvt. Ltd. at Narayana Engineering College, Nellore from 21.12.21 to 31.12.21.

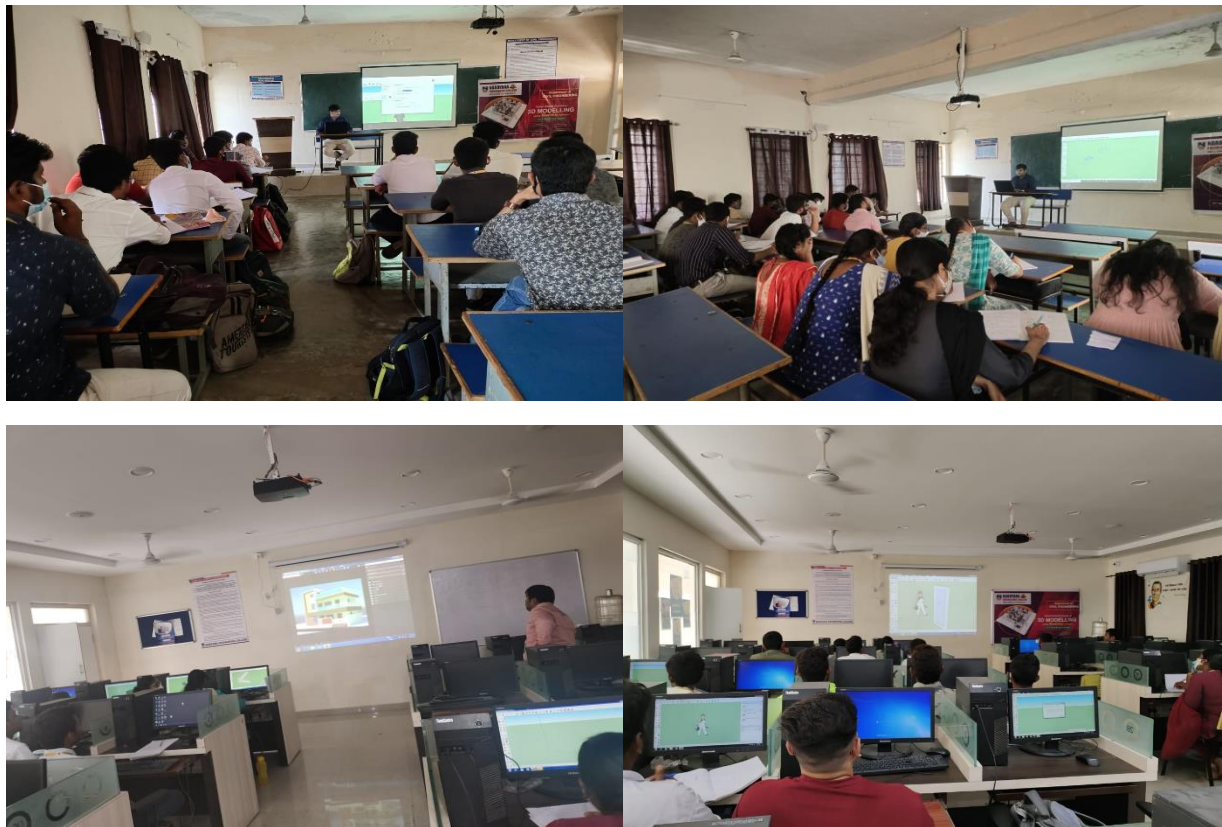

31 students of II year B.Tech Civil Engineering department have participated in this training and utilized this opportunity. This Value-Added Course helps the students in improving their skills in the field of 3D modelling using SKETCHUP software.

Inaugural sessiona

This program was inaugurated in the evening at auditorium on 21<sup>th</sup> December 2021 by Mrs.K.Venkatalakshmi (Head. of Dept) Ms.I.Bhuvana Rekha (Coordinator).

Resource person delivering lecture

After the formal inauguration function the Resource person Mr. Shaik Thousid, Trainer from Assistive CADD Center, Nellore took the sessions and explained about 3D modelling by using the SKETCHUP software.

Students are doing practice and trainer clarifying doubts

Students feel that the Value– Added session on SKETCHUP was very much useful for them and they can draw 3D models in SKETCHUP Software. It is planned to extend this value-added training in the next semester with some other applications.

**Valedictory Session:**

The Value- Added Course concluded with a vote of thanks from the convener. He extended his special thanks on behalf of Department to Mr.Shaik Thousid trainer. The certificate of completion was distributed to all the students.
