7	Activity/Event objectives	To make the common man aware of the consequences of using non- biodegradable products		
8	Participation	Staff	Students	Total
		4	30	34
9	Enclosures	1. Report 2. Photos		

Department of civil engineering Narayana engineering college, Nellore in Association with NSS Unit of Narayana Engineering College, Nellore organized an Awareness Program on Clay Ganesh on 09/09/2021 at Narayana Engineering college, Nellore. Ganesh Chaturthi, a festival celebrated across India to honor Lord Ganesh, is becoming more eco-friendly these days. Traditionally, Ganesh idols, made of Plaster of Paris, are immersed in water during this festival, which spoil the water. But many people now comprehend the importance of using eco-friendly Ganesh idols. We explained the importance of Clay Ganesh and distributed Ganesh Idols to the staff and students at Narayana Engineering college, Nellore. About 4 staff members and 30 students have actively participated in the event.
