Department of civil engineering Narayana engineering college, Nellore in Association with NSS Unit of Narayana Engineering College, Nellore organized an Program on world ozone day at our campus on 16-09-2021. Head of department civil engineering, K venkata lakshmi engage students that the slogan of the day, "Ozone for life", reminds us that not only are ozone crucial for life on Earth, but that we must continue to protect the ozone layer for future generations. It shows that collective decisions and action, guided by science, are the only way to solve major global crises. In this year of the COVID-19 pandemic that has brought such social and economic hardship, the ozone treaties' message of working together in harmony and for the collective good is more important than ever. About 5 staff members and 31 students have actively participated in the event.
