10	Signature of the In charge / Convener	C. Rama Mohan		

Narayana Engineering College, Nellore has organized an awareness Program on "Awareness Program on Overseas Education" on 30<sup>th</sup> December 2020. The Resource Persons Mr. D. Kanthi Kiran & Mr. S. Padma Kiran, New Edge Overseas Edu Consultancy, Vijayawada took over the session and created awareness among the students regarding importance of overseas education. In this programme, the resource persons explained about the objectives, and importance of overseas education.

The outcome of the program was to create awareness and encourage students who aspire to continue higher education in abroad after their graduation. International study provides a wonderful opportunity for all students to gain a new perspective on the impact of a different culture on them, both in relation to their own identities and the identities of their peers on the program. Certainly, an international study experience enlarges their knowledge of the world. However, in today's increasingly competitive global economy, an international education experience must provide more concrete benefit for a student who will need to embrace the changing world that awaits post graduation. Students of Computer Science and Engineering benefited a lot by listening to the lecture and interacted with the resource person about the ways to approach universities, GRE, TOEFL, IELTS scores, scholarships and career opportunities. The lecture helped to clarify the ambiguity of the students hoping to pursue higher education in abroad. Lot of academic benefits pertaining to personal growth, gaining of valuable life skills, strengthening the leadership skills, broadening the world view and advancement in career.

More than 60 students of III B.Tech (CSE) have attended the session and cleared the queries regarding their overseas education. The session is about importance of overseas education. The whole programme is conducted with the prior permission of the principal Dr. G. Srinivasulu Reddy sir, Head of the Department Dr. C. Rajendra sir, and professor in charge of career guidance cell Mr. V. Muniraju Naidu sir.

About the Programme

Resource person deliver the key concepts of overseas education
