

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

"HIGHLIGHTS AND GLIMPSE OF ALUMNI MEET 2022"

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality.

Alumni meet is a gathering of passed out students of an institution and it is a place where the institution feels proud on seeing its successful alumni. During their meet, the alumni community shares their experience in the outside world, which they faced after stepping out of the institution. The meet also creates a platform to identify the college's most distinguished alumni. We are happy to share that our alumni are settled in many countries with different companies on top most positions. They all gather on the alumni meet day with their families and have a talk with the current students and those alumni who are not able to come, share their experiences via videos.

OUR MISSION:

- To re-unite in the nest from where we grew and flew off.
- To build a bridge between college life and career life, so as introduce present students to the professional world and to make them proactive to face the challenges that may emerge in their career path.
- To provide job opportunities to fresh bachelors through references of professionals.
- To conduct orientation and training programs to students on various topics to enhance their skills.
- To create awareness among students about the scope of their subject in the professional world.
- To provide a platform for students to develop their qualities.
- To participate in social welfare activities for social accountability.

PLAN OF ACTION:

Conducting periodic meetings of the committee to chalk out plan of action.

- Conducting training sessions on industry practices and professional approach by industry professionals.
- Conducting personality development trainings, interview answering skills and confidence building programs.

- Interacting with unemployed ex- students to find probability of employment with reference of professionals.
- Conducting social welfare activities such as blood donation, health awareness programs, tree plantation, cleanliness drive etc.
- Re-unions of ex- students.
- Felicitation of achievers.

To fulfill the above objectives, the Alumni meet of Department of ECE, Narayana Engineering College was conducted on 08.01.2022. The invite has been given to the Alumni through mail, calls, SMS and Whatsapp messages. All the faculty members joined hand with HoD and Alumni coordinator in sending the invite to all the Alumni.

As a result, around 55 Alumni joined the meeting from all over the country. The Alumni joined from Chennai, Hyderabad, Bangalore. The meeting was started by 10:00 am. The welcome speech for the occasion was given by Mr.S.Girish Gandhi, Alumni coordinator. The special Alumni address was delivered by Dr. K. Murali, HoD/ECE. He elaborated the following to all the Alumni.

- The department intake and student strength.
- Faculty strength and profile.
- Infrastructure details including library, laboratory, staff room, seminar halls, tutorial room, etc.
- Value added courses, certificate course, bridge course, Internships and industrial visits being arranged by the department.
- The technical and academic activities being organized through professional society activities, clubs, forums and association.
- The technical meet through symposiums, guest lectures and seminars.
- The MoUs signed with the reputed industries for skill enhancement for the students.
- The industry institute interaction for training programmes and other skill upgrading events.
- The placement records, recruiters and other relevant details related to placement.

In the Alumni meet, totally 55 Alumni participated and fruitful discussions and suggestions were made to cater the needs of the present students in view of placement, training, etc.

Alumni also interacted with the students and gave motivational talk regarding preparing for higher studies and placements. Students asked many questions regarding placements and the alumni shared their views.
