A Brief Description of the Event:

Department of ECE, Narayana Engineering College, Nellore in association with Nellore Municipal Corporation, organized an awareness program on Plastic free Nellore by conducting a Rally from Haranadhapuram junction to children's park, Nellore on 27th October. During the program The Commissioner of Nellore Municipal Corporation along with the faculty coordinators of ECE Department, Narayana engineering College, Nellore, said that the plastic usage in Nellore is increasing day by day which is very harmful to the environment, so to protect the next generation from this Plastic we need to restrict the usage of Plastic. This rally makes the most of the younger generation to take an initiative to stop the usage of plastic. About 6 staff members and 78 students have actively participated in the awareness rally.
