DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Report on "Fresher's Day celebrations on 30.01.2021 "

The department of Electronics and Communication Engineering has conducted Fresher's day celebration on 30.01.2021 for all the first year ECE students.

The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college.

Dr.K.Murali, HoD/ECE delivered the welcome address. He spoke about the facilities and resources available in the department, Industry connect support, Infrastructure development, initiatives in students academic and technical activities, Bridge course, value added courses, etc.

The HoD also emphasized the programmes being organized in the department in connection with the professional society and student association activities, industrial visits, clubs, forum, symposiums.

The first year students are very happy to know about the MoU activities and the placement records by the department of Electronics and Communication Engineering.

After the presentation by HoD, Students gave their feedback.

In connection with the fresher's day celebration, singing , dancing and skit events have been organized. The students eagerly participated in all the events and exhibited their cultural skills.

Dance Events

Skit

Singing Event

All the faculty members of ECE department participated in the event. All the freshers enjoyed their day and expressed their happiness in choosing the department of ECE in Narayana Engineering College. The programme came to an end by 5 P.M.
