#### **A Brief Description of the Event:**

The department of **Electronics and Communication Engineering** has organized Gandhi Jayanthi celebration on 02.10.2021 in association with the centre for extension activities of Narayana Engineering College, Nellore.

A procession has been arranged in the memory of Mahatma Gandhi for his extraordinary service done to the nation and the society in obtaining the Independence. All the students of Narayana Engineering College participated in the procession and they propagated the public about the celebration.

Later the Gandhi Jayanthi celebration was done in the department of Electronics and Communication Engineering. All the faculty members and students offered flower garlands to Mahatma Gandhi and remembered his greater service to the nation.

**Dr.K.Murali**, HoD/ECE delivered the welcome address. He also emphasized the importance of celebration of Gandhi Jayanthi. He also spoke about our national leaders who joined Gandhiji and their sacrifice for our nation. All the faculty members shared their views about Mahatma Gandhi. His non-violent resistance helped end British rule in India and has influenced modern civil disobedience movements across the globe. Gandhiji had always chosen non-violence for all his struggles, despite facing many odds. His sacrifices brought the country together to fight for a single cause. His ability to unite the country in the face of adversity was itself a great victory, one that couldn't be managed in the past.

**Mr.S.Girish Gandhi** and **Mr.Paul Vinod Kumar** have made all the arrangements for the programme.
