DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Report on "Awareness Program on Overseas Education"

The department of **Electronics and Communication Engineering** has conducted "Awareness Program on Overseas Education" on behalf of "New edge overseas edu consultancy" on 9/1/2021. Students of II, III AND IV Year B.Tech students who are interested in overseas education came forward to participate in this event.

In this competition world all the companies are looking for graduates who have higher education and have additional skills, career guidance cell is training the students by conducting this activity. Skills needed to succeed in these exams are provided by New edge overseas edu consultancy who have signed a MOU with Narayana.

The incharges are given instructions regarding these sessions where the resource persons spoke on the topic in length.
