

NARAYANA ENGINEERING COLLEGE::NELLORE

DEPARTMENT OF ECE

Awareness Program on “GENDER EQUALITY”

Department of ECE has organized an awareness program titled “GENDER EQUALITY” on April 27th, 2017 behalf of women’s forum of Narayana Engineering College, Nellore. Mr. G.Gopi, Retired General Manager, BSNL, Nellore has delivered a speech on equality of Women and men in different areas. Students from II year, III year B.Tech(ECE) and I M.Tech(VLSI) has participated in the awareness program. HOD,staff and students have shared their views regarding gender equality in society.

Gender equality is achieved when women and men enjoy the same rights and opportunities across all sectors of society, including economic participation and decision-making, and when the different behaviors, aspirations and needs of women and men are equally valued.
