World Telecommunication & Information Society Day

World Telecommunication and Information Society Day is celebrated on 17th May, 2018 by the department of ECE. The World Telecommunication Day focuses to tone up national policies, fill up the technological differences, promotes connectivity, foster global interoperability of systems and to curb on physical distances globally through internet, television, phone etc. The Theme of year 2018 is **"Enabling the positive use of Artificial Intelligence for All".**

The Chief Guest Mr. G.Gopi, GM (Rtd), BSNL, had given a brief introduction on "Awareness about the positives of communication technology" in this modern decade. Dr. K. Murali, HOD said that, it is necessary to make information and communication more accessible to people residing in remote and rural areas. All the staff members and II B.Tech ECE students were attended the event.
