JALWA-2K16:

The fashion show JALWA-2K16 was organized by Electrical & Electronics Engineering department on 9th&10th April, 2016 at EDISION Auditorium. Interested students of entire college have enrolled their names for participation.

The fashion show atmosphere was filled with glamorous music. There was a fragrance of sandalwood throughout the room and the room was strategically arranged with numbering on each seat. Decoration elements were all over the place. The ambience was kept very artistic, designed with vivid and minimal colors. There was almost an eight by fifty foot long, elevated runway extending through the heart of the room with seats surrounding each side.

Program has scheduled for 2 days. On very first day all participants have exhibited their own talents like dance, music, mimicry etc. This program judged by R.Nava Teja Dept. of CSE, K.Bharath, Dept. of MBA. Participants filtered from round one have faced the next crucial phase (Ramp walk).

Fashion show ended with the announcement of Mr NECN & Miss NECN.
