10.	Enclosures	1. Photos 2.Attendance Report 3.Undertaking forms from students		

On 30/10/2021 EEE III B.Tech students got permission to visit "Nippo Factory" under the guidance of our department. In the factory students observed the process of battery manufacturing. We started from the college 8.45am college bus and we reached our destination at 11.00am. After reaching the factory professional people in factory explained the components and their working. Also they showed the latest technology equipments and its fast working process.

Such industrial visits organized by Narayana Engineering College helps the students to enhance their practical knowledge on industrial sites.
