

## **NARAYANA ENGINEERING COLLEGE:: NELLORE**

### **Department of Electrical & Electronics Engineering**

**NSS:(2018-19)**

#### **1. safety precautions for earthing**

Narayana engineering college organized NSS event on “**safety precautions for earthing**” near 33/11kv substation harinadhpuram, Nellore by our students

The main points are:

- Follow the manufacturer’s operating and safety instructions. Prefer single phase/ two phase, 3 wire system in house wiring including grounding wire running along the wiring.
- Distribute the entire calculated load on the MDBs and SDBs properly.
- Use standard ISI approved wires, cables for wiring.
- Never extinguish electric fire by water.

#### **2. International girl child day:**

“**International girl child day**” was conducted in Narayana Engineering College Nellore at Edison auditorium on 11-10-2018 by jakka seshamma, advocate. “The International Day of the Girl Child is a reminder that to inspire the girls from girl’s stories and ideas. The main focus is to understand the issues that they face in their life.

### 3. Energy conservation Rally:

On 14/12/2018 Narayana Engineering College, Nellore EEE department NSS association organized a Rally on “**Energy conservation Rally**” from Vidyuth Bhavan to collector office, Nellore. In this rally total 60 students and 10 faculty members are participated. The motto of this rally is to “Save Energy. Save Money. Save the Planet” and concluded with “**ENERGY MISUSED CANNOT BE EXCUSED**”.
