On 1/03/2020 EEE III B.Tech students got permission to visit "SHAR CENTER" under the guidance of our department. We started from the college 7.15am college bus and we reached our destination at 9.15am. After reaching their Asst. Scientists explained and showed the video of launching the rockets. The professional people explained the components and their working during Launching. Finally we visited space Museum.

Such Industrial visits organized by Narayana engineering college helps the students to enhance their practical knowledge on industrial sites.
