Report on Security Analysis & Risk Management

The department of MBA, Narayana Engineering College, Nellore in association with KARVY stock broking, organized a certificate course on “Security analysis & Risk Management” during the period from 24-02-2020 to 28-02-2020 in PG seminar hall, C-Block. Mr.Janaki Ram, Financial analyst acted as the resource person. He delivered an excellent lecture on Security analysis & Risk management.

In his speech, He stated Security risk management provides a means of better understanding the nature of security threats and their interaction at an individual, organizational, or community level”

He also stated that,the risk management process can be applied in the security risk management context. Indeed, the risk management process advocated should be used as the foundation to risk management in the greater organization;

In his lecture he covered various opportunities in the stock market and various certified courses available for students to get jobs in stock brokerages, to start up stock brokerage agencies, mutual fund companies in different areas to protect the risk of investors.

Nearly 70 students attended the program. All the students actively participated in the programme and interacted with the resource person actively.
