Value Added Course on Skill Development

REPORT

The Department of Management Studies, Narayana Engineering College, Nellore conducted a value added course on Skill Development for the students of MBA at Koutilya seminar hall from **02/01/2019 to 9/01/2019**. Mr.Srinivas acted as a resource person for the course. He said that skill development is a continuous and never ending process and it is necessary to enhance the holistic development of students and to improve their employability skills. While dealing with critical issues how aptitude, problem solving skills and reasoning ability of the students will play a dominant role is clearly explained by the resource person.
