Report

A program on “National Girl Child Day” was conducted by the Department of Management Studies on 24-01-2018 at MBA Seminar Hall at 10.30 AM, in which all the MBA girls students have participated. Dr. K. Saikumar, HOD MBA introduced all the guests to the gathering.

Smt. Subadhra Devi, Advocate spoke about the various problems faced by the girl students like acid attacks and child marriages and the laws related to those issues. She stated that the girls should be aware of their legislations including domestic violence act 2009, prohibition of child marriages act 2006 and dowry prohibition act 2006 in order to get their rights protected and to boldly face challenges in life.

Subadhra Devi interacted with the students. They told that it is very important to remove different types of social discriminations and the exploitation the girls are facing in their lives and they have to increase the awareness on various rights of the girls provided by the state. Girls are an integral part of the society, no nation can hope to progress and aspire for a future of prosperity, joy and fulfillment through discrimination against the women in society. Some of the students could get their doubts clarified from the guests.

Srija, Student of MBA thanked all the members for coming and spending time with our students, in her vote of thanks.
