Report:

Department of MCA, Narayana engineering college, Nellore in Association with NSS Unit of Narayana Engineering College, Nellore organized program FOOD FOR INTELLECTUALLY DISABLE CHILDREN on 25-02- 2021.

Intellectual disability (ID) is a condition of incomplete development of the mind. Disabled children are known to be at high risk for developing malnutrition, which may partly explain the growth retardation often encountered in such children. The most common problems associated with malnutrition in disabled children, are inadequate nutrient intake.
