Department Of M.C.A

MCA Department has conducted a Technical Talk on "Virtual Reality" under Industry Institute Interaction Cell, on 31st August 2019, at Kautilya Seminar Hall in C – Block, NEC, Nellore. Resource person was Mr. G. Hazarath, iOS Developer, SPOYL Tech Solutions, Bangalore. The day interaction is on various aspects of Virtual Reality, immersive sensory experience that digitally simulates a remote environment. VR is used to help learners develop skills without the real-world consequences of failing, especially useful in realms with life-or-death implications. Total of 58 students were benefited by this technical talk.
