Department Of M.C.A Industrial Visit

06.03.2019

Department of MCA students (77), 38 boys students and 37 girls student along with 4 faculty members visited Shia#sh info solutions, Chennai on 02.03.2019. The main objective of industrial visit is to interact with software industry and to know about latest new technologies, selection criteria etc.

In the morning at 10:30 a.m we visited to Shia#sh info solutions. We divided our students as girls and boys students for the visit and the interaction with the industry person. The Technical Head of Shia#sh info solutions conducted very informative session for the students. Also he motivated to the students to select their domain and area of interest. He also guided the students to select the areas like web development, mobile application development & software testing etc., and its importance in the current software market. He also guided on PHP technology which is their working technology. Finally he gave brief introduction Shia #sh info solutions and other IT Companies.

The session was concluded with Question- Answer session. Many of the students asked different questions to the Technical Head on current demanding technologies, market scenarios etc., and he cleared all the doubt and myths which was in students mind about the technologies and IT sector. All students were satisfied after the session. The visit came to an end at 1.00 p.m. Finally, the bus started at 2.30 p.m after lunch. It was an informative, interesting and a successful visit.
