A REPORT ON A TWO DAY WORKSHOP ON "ETHICAL HACKING & CYBER SECURITY"

One of the fastest growing areas in network security, and certainly an area that generates much discussion is that of ethical hacking. In today's context where the communication techniques have brought the world together; have also brought into being anxiety for the system owners all over the globe. The main reason behind this insecurity is Hacking- more specifically cracking the computer systems. Thus the need of protecting the systems from the nuisance of hacking generated by the hackers is to promote the persons who will punch back the illegal attacks on our computer systems, The Ethical Hackers.

This inspired the Department of Computer Science & Engineering to organize a Two day Workshop on Ethical Hacking & Cyber Security at Narayana Engineering College, Nellore under CSI Student Branch from 15th Feb 2019 to 16th Feb 2019 for all B.Tech & MCA Students.

This workshop was inaugurated by Dr. G. Srinivasulu Reddy, Principal Narayana Engineering College who advocated the need of Ethical Hacking with reference to the present day scenario in his inaugural speech.

Dr.B.Geethavani, Head of the Department of Computer Science & Engineering said "At protecting the data has become a biggest priority for many organization because of Hacking and it can be controlled only by producing the Ethical Hackers".

Mr Sai Sathish, CEO of Indian Servers was the Resource Person of this workshop. During his sessions he introduced the concepts of various type hackings and hackers. He explained the students about the required programming skills and other requisites very patiently.

In the valedictory Merit Certificates are distributed to the students whose performance is excellent. Finally the resource person was facilitated by the Principal, HOD and the Coordinator. 190 Students and the 3 Faculty members benefitted from the Workshop.
