## Women's Forum

### **Report:**

An Awareness Program on "Women Protection-Legal Rights" was conducted on 11-02-2021, Thursday at Kautilya Seminar Hall, C-block. Mrs. A. Vijaya Lakshmi gave a speech about the problems that were being encountered by the women and also explained acts for those problems. She said that we live in an increasingly violent society in which the fear of crime is ever-present. Personal safety has become an issue of importance for everyone, yet especially for women.

She offered suggestions to girl students on how to protect themselves when they are alone and especially during travelling time. She projected *AP Police Seva App*. The App developed by the AP police department incorporating state of the art technology includes 12 women safety features, emergency contact numbers besides legal help. *AP Police Seva app* aims to provide the services of the AP police department at people's doorstep.

***Mrs. A. Vijayalakshmi speaking to the students***

The app comes with features to enable the public to register complaints, check FIR status and E-challans, file applications for passports, licences and no-objection certificates. This app comes with 87 services enabling citizens to file complaint and get FIR on smartphone.

People can also alert the police on spotting a road accident, and it provides information about and directions to the nearest hospitals, blood banks and pharmacies. The app will also periodically update information about missing persons and unidentified dead bodies.

## Women's Forum

*Audience interestingly listening to the speech*

One Stop Centres (OSCs) are intended to support women affected by violence, in private and public spaces, within the family, community and at the workplace. Women facing physical, sexual, emotional, psychological and economic abuse, irrespective of age, class, caste, education status, marital status, race and culture will be facilitated with support and redressal.

*HOD and faculty members felicitating the chief guest*

Finally, *Police seva app* is very useful substantially minimize the need to approach police stations physically. Students acquired the knowledge in the session.
