Department of Electrical and Electronics Engineering organized an Awareness Program ON on “Role in Women Society” under women’s forum on 23-06-2021 at Visweswariah Auditorium, B-block , Nellore. Women’s Forum Incharge Mrs.M.Suneetha introduced the resource person Mrs. **Isanaka Neeraja, Public Prosecutor , Ist ASJ court** to the gathering. Mr.G.Venkateswarlu , Hod, EEE delivered few words regarding the importance of Women Role .

The program's resource person, Mrs. Isanaka Neeraja, explained why women are necessary in society in the real world. She also discussed the place of women in society, their rights, and the significance of gender equality. In order for women and girls to be able to share power equally, fully access the tools of development, and be inspired to collaborate with other women to achieve equality and justice, this awareness programme seeks to equip women and girls with understanding of their legal rights and obligations. Finally, the resource person provided information on regulations relating to protecting against such abuse and the fact that there is no limit to what

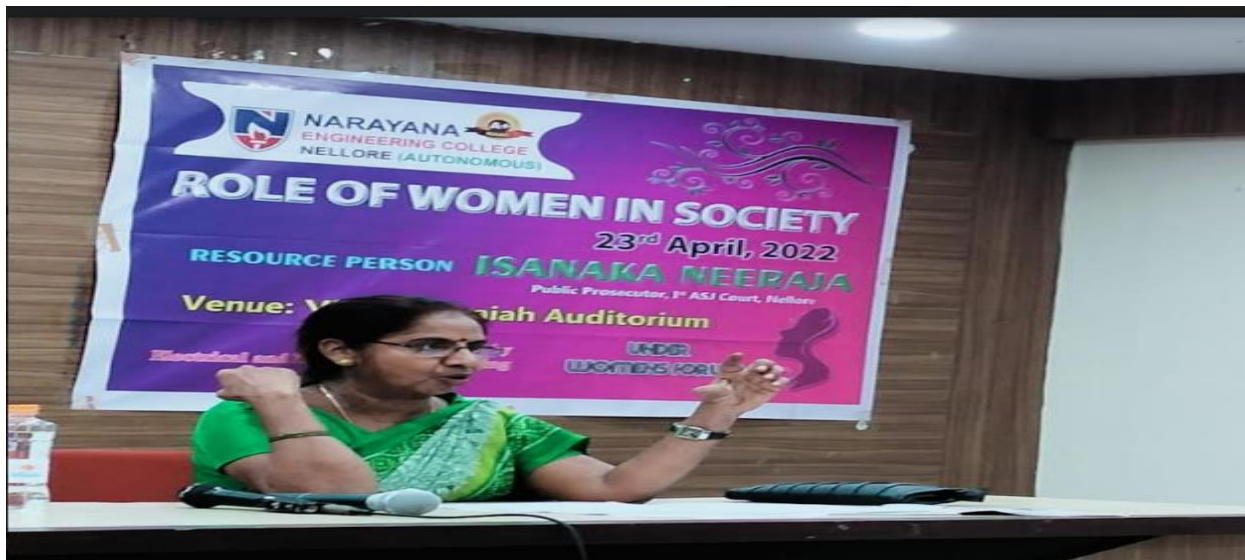

Women's Forum

The Narayana engineering college, Nellore Department of ECE conducted an awareness program on "WOMEN ROLE IN ENTERPRENEURSHIP AND CANCER AWARENESS" which was organized by women's forum of the ECE department on 16-04-22 at Vishweshwaraya Auditorium, B-Block, NEC Nellore.

The objectives of this program is that the Young people especially girl child is facing so many problems big or small from childhood to adulthood and also to till death. They may face problems in the society or in the same house they are living. Women entrepreneurs may be defined as a woman or a group of women who initiate, organise and run a business concern.

In this session Dr.K.MURALI, HOD of ECE addressed the gathering and introduced the resource persons, to the gathering. Later the resource persons discussed with the students about the problems faced by women in the society and how to have a hygenic health in the surrounding society

In this session the resource person, Dr.T.LAKSHMI,DGO,MD,CHIEF MEDICAL OFFICER,IRCS CANCER HOSPITAL shared and discussed her ideas with the students happily

Dr.T.LAKSHMI,DGO,MD,CHIEF MEDICAL OFFICER,IRCS CANCER HOSPITAL garu insisted in her speech that girl child should be always happy to lead a sucessful life

She revealed in her speech that aim of the campaign is to create cancer awareness amongst the population of India. It is important to dispel the myths that people wrongly believe, inform them about the signs and symptoms, and importance of screening for early detection. It is also vital to follow a healthy lifestyle, and sharing of survivor stories gives a message of hope and confidence.

The Prof. Suja Nair, Executive Council Member , Principal of Vikram Simhapuri University in Nellore, Fem Sparkle offers a valuable chance to emphasize that everyone can contribute to creating a world that is more gender-balanced. Everyone can contribute to achieving gender parity. To achieve gender equality, everyone must engage in advocacy, adopt an inclusive mindset, and take concrete action. Gender balance is not just a women's concern; it is also a matter of economics. She also stated that it is important for all women and girls to be informed of the legal rights that are available to them in order to improve their safety and security. She inspired the female pupils as well.

After that, a vote of thanks and a number of competitions brought the programme to a close..

Women's Forum

As a part of Women's Forum activity, NECN Women's Forum celebrated "International Women's Day" on 8th MARCH 2021.

The Convener Mrs. M. Suneetha introduced the Chief Guests Dr.S.Andal Bhaskar, MD, Gynecologist, Nellore and Dr.S.Lavanya, MD., D.G.O., Professor &HOD Narayana Medical college to the gathering.

On this event Dr. A.V.S Prasad, Director of Narayana Engineering Colleges and Pharmacy said that even though most nations are aware of International Women's Day. In many cases, it helps to provide some context. Everyone can contribute to achieving gender parity. To achieve gender equality, everyone must engage in advocacy, adopt an inclusive mindset, and take concrete action. Gender balance is not just a women's concern; it is also a matter of economics. He also stated that it is important for all women and girls to be informed of the legal rights that are available to them in order to improve their safety and security.

On this occasion, Principal Dr. G. Srinivasulu Reddy told that International Women's Day is a day celebrated worldwide to honour the social, economic, cultural, and political accomplishments of women. It also serves as a call to action for promoting gender equality. All of humanity are a part of the all together. Our individual actions, words, attitudes, and behaviours can affect our greater society. We can work together to make the world more gender equal. He also praised the accomplishments of the female staff members and female students.

The Chief Guest Dr.S.Andal Bhaskar, MD said that International Women's Day offers a beneficial opportunity to emphasise that everyone can contribute to creating a world that is more gender-balanced. IWD is a time for commemorating women's accomplishments and/or advocating for gender parity. Dr.S.Lavanya, MD., D.G.O. told that Everyone and everywhere can work towards achieving gender equality and continue to make progress. She inspired the female pupils as well.

The prizes and certificates were distributed to the merit students of all branches by the Director, Principal and the Chief Guests. The Chief Guest Dr.S.Andal Bhaskar, MD, Gynecologist, Nellore and Dr.S.Lavanya, MD., D.G.O., Professor &HOD Narayana Medical college were felicitated with a shawl and memento by the Director, Principal

NARAYANA ENGINEERING COLLEGE :: NELLORE

Report :

Department of Freshmen Engineering organized an awareness program on “**Teenage health issues for girl students** ” under women’s forum on 19th February 2022 at C-Block Auditorium. Women’s Forum incharge Mrs.M.Ayasha Begum introduced the resource person Dr.K.Sujatha ,Gynecologist, Chennai health corporation to the gathering.

On this occasion the resource person Smt Dr.K.Sujatha told that teenage girl students are facing so many health problems because of lack of awareness . There are 10 top health concerns for Girl child.They are Obesity,Alcohol and Drug Abuse,Injuries,Depression and Anxiety,Eating Disorders,Dating violence,Teen pregnancy,Internet and Smart phone risk,Teen tanning,Tatoos and Piercing.She gave tips to overcome these problems.

She also said that Children are expected to cope with hormonal changes, puberty, social and parental forces, and work pressures, and so on. Many teens feel misunderstood. It is vital that their feelings and thoughts are validated and Parents have to find innovative ways to connect with their children and build a relationship to affectively support them during this difficult phase of growing up. All the students present were benefitted from this program and their doubts were clarified.

K.Venkata Bhumisree student of ECE proposed a Vote of thanks and thanked the resource person for spending her valuable time in the college. Finally, the resource person was felicitated with a momento by the HOD Dr.U.Subramanyam , M.Ayasha Begum ,incharge of women’s Forum and lady faculty members.

Report:

In the Narayana Engineering College, Nellore a seminar on "INTERNATIONAL DAY FOR THE ELIMINATION OF VIOLENCE AGAINST WOMEN" was organized by women's forum of the ECE department on at Vishweshwaraya

Women's Forum

NARAYANA ENGINEERING COLLEGE :: NELLORE

Auditorium, B-Block, NEC Nellore. The objectives of this program are to create an awareness to the girl students how to face a challenging world with discrimination in the society towards women and to stop vigorous violence faced by girls and women. In this session Dr.Murali garu,HOD of ECE addressed the gathering and spoke few words about the violence to the gathering.Later discussed with the students about the theme behind the issues of violence faced by women

Violence occurs in about 35 per cent of women globally in their lifetime. In a study done in India, on about 10000 women, 26 per cent reported having experienced physical violence from spouses during their lifetime. The prevalence could be as high as 45 per cent as indicated by data from Uttar Pradesh

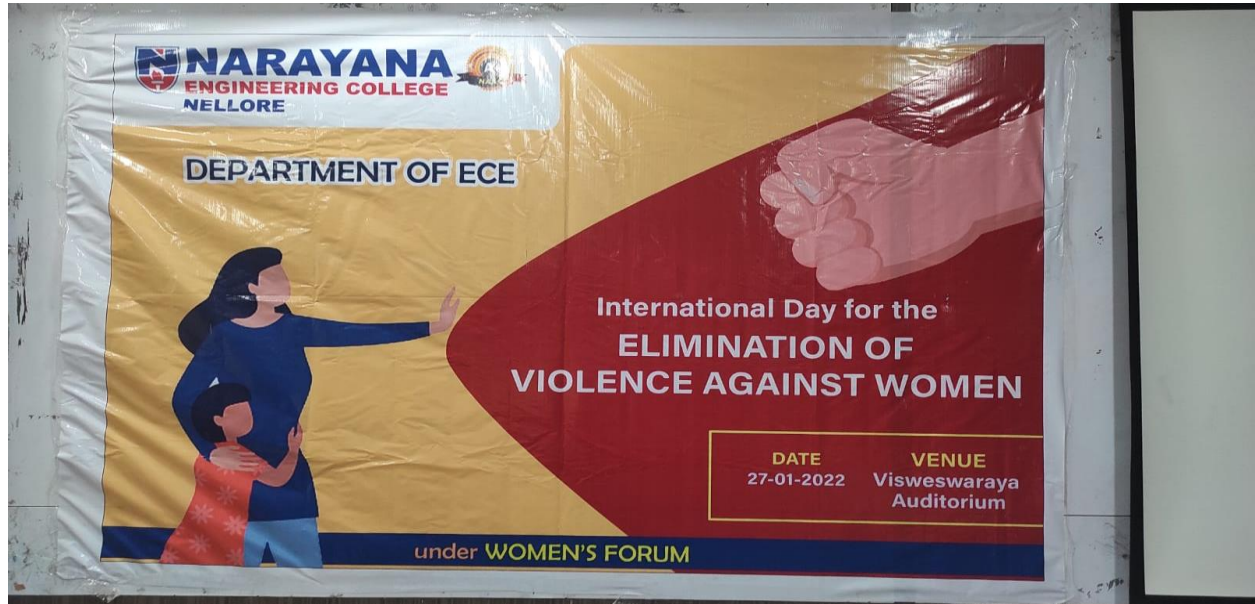

All III year B.Tech Girls students and lady faculty members attended to the seminar.
