Organogram of Narayana Engineering College, Nellore

Nature and Extent of involvement of Faculty and Students in academic and administrative affairs

Narayana Engineering College Nellore (NECN) creates a platform for the active participation of the students and faculty in the various academic and administrative bodies including other activities. This empowers the students and faculty in gaining leadership qualities, in following rules, regulations and execution of skills. Student Councils are actively participating and organizing various activities related to academics, co- curricular and Extra-curricular activities, with the guidance of faculty. They are providing great support to college related academic / administrative work with the help of other students. They are actively involving in motivating the students to participate in various activities conducted by the college. Student's council is headed by Principal as the Chairman and remaining positions like President, Vice - President, General Secretary and Joint Secretary, are represented by students. Members of student's council are filled with class representatives of UG and PG programs. Institute has constituted various other committees to involve in different academic and administrative activities in campus apart from the Student Council. College is very keen in encouraging students to participate in various academic and administrative committees. It improves the academic and administrative capabilities of both students' and faculty.

Mechanism and Procedure for good governance

The Vision and Mission of the Institute are:

VISION

- To be one of the nation's premier Institutions for Technical and Management Education and a key contributor for Technological and Socio-economic Development of the Nation.

MISSION

- To produce technically competent Engineers and Managers by maintaining high academic standards, world class infrastructure and core instructions.
- To enhance innovative skills and multi disciplinary approach of students through well experienced faculty and industry interactions.
- To inculcate global perspective and attitude of students to face real world challenges by developing leadership qualities, lifelong learning abilities and ethical values.

Reflection of Mission and Vision in the leadership of institute in ensuring:

1. The policy statements and action plans: The management and Principal actively participate in GB for ensuring that the policy statements and action plans are aligned for attaining the mission of institute, disseminates the vision and mission to all stake holders and involve them in forming the policy statements. The Principal and HODs makes action plans in discussion with faculty members to review of outcomes from the implementation of action plans through meetings with functional committees and makes necessary changes in action plans if required. The management takes review of quality policies and makes amendments in quality policies if required.
2. Formulation of action plans: The action plans are formulated in line with quality policy under the leadership of the Principal and the same are incorporated into strategic plans for effective implementation.
3. Interaction with stakeholders for proper support and planning: The requirements of the industry for policy making and planning are collected through interaction with various stakeholders The Principal and HODs ensure that all stakeholders are involved in different activities.
4. Reinforcing the culture of excellence: For the reinforcement of cultural excellence the vision, mission, short term and long term goals, quality policies are kept wide open to all stakeholders for their suggestions, necessary training is provided to its faculty and supporting staff for their development and motivates the team building and team work to create healthy work culture. Through participative management, the faculties are involved in various decision making bodies of the institute to achieve vision of the institute.

Student feedback on faculty Performance

The institution reviews its teaching learning process, structures and methodologies of operations and learning outcomes at periodic intervals through IQAC.

Student Feedback on Teaching and Learning Process (TLP)

Student feedback on faculty performance is done through comprehensive performance systems and the feedback is communicated to all concerned. Students appraise the faculty through a structured format on a variety of parameters. Based on the feedback the institution up-dates academic programmes and value added programmes most relevant to the current requirements. Institute has adopted two structured mechanisms to continuously review the teaching learning process are:

1. Online Student feedback
2. Student feedback on TLP.

(a). Online Student feedback:

Online Student feedback has been collecting from students' at beginning of the semester. Feedback analysis has been preparing based on the data and suggested accordingly:

1. Suggestion letters to faculty whose feedback obtain less than 70 (<70)
2. Appreciation letters to faculty whose feedback obtain greater than 90 (>90).

(b). Student feedback on TLP.

Student feedback on TLP has been collecting just before the end-semesters and suggestion/appreciation letters will be issued to the faculty regarding feedback. This feedback has five metrics (attributes) are as follows:

1. Time Sense
2. Subject Command/Delivery
3. Use of Teaching Aids/ Teaching Methods
4. Attitude
5. Class Management
6. Laboratory Interaction (only for Labs)

Attribute-wise faculty performance is evaluated and suggested accordingly to the concerned faculty who secured less percentage in this regard.

Grievance Redressal mechanism for faculty, Staff and Students

The College is committed to provide a congenial, fair and harmonious learning and working environment in the institution for the students. Grievance redressal Cell was set up at NEC, Nellore for providing Mechanisms for receiving, processing and addressing dissatisfaction expressed, complaints received and other formal requests made by students, staff and other stakeholders in the institutional provisions promised and perceived. Grievance Redressal Cell facilitates resolving grievances in a fair and impartial manner involving the respective Department (which deals with the substantive function connected with the grievance), maintaining necessary confidentiality as the case may be. Any stakeholder with a genuine grievance may approach Grievance Redressal Cell by submitting his/her grievance in writing.

The function of the cell is to look into the complaints and judge on its merits. The Grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the GRC in person. In case the person is unwilling to appear in person, written grievances can be dropped in the box of the Grievance Cell, provided for the purpose.

Objectives:

1. To ensure a fair, impartial and consistent way of redressal of various grievances encountered by the stakeholders.
2. To uphold the dignity of the college by promoting cordial Student-Student relationship, Student-faculty relationship, and relationship among the members of the faculty.

3. To develop a prompt and accountable attitude among the stakeholders, thereby maintaining a congenial atmosphere in the college campus.
4. To ensure that grievances are resolved in a complete confidential manner.
5. To ensure that the views of aggrieved and respondent are respected and that neither party to a grievance is discriminated or victimized.
6. To ensure that the stakeholders respect the rights and dignity of one another

The Grievances may broadly categorize as under, include the following complaints:

- a. Academic
- b. Non-Academic
- c. Related to performance Assessment
- d. Grievance related to Victimization
- e. Grievance related to Attendance
- f. Grievance related to charging of fees
- g. Grievance related conducting of Examinations
- h. Harassment by colleague students or the members of staff.
- i. Staff complaints regarding various issues related to Students etc.

There will a Grievance Redressel Cell at the Department/Institution/central level to deal with the various grievances of the students and staff.

FUNCTIONS:

- The grievances will be attended promptly on receipt of written grievances from the students/ staff
- The cell formally reviews all cases and acts accordingly as per the policy of the management.
- The cell gives report to the authority on the cases attended to and the number of pending cases, if any, requiring direction and guidance from the higher authorities.

7. PLACEMENT FACILITIES

Headed by Mr. T. Uma Mahesh, Training & Placement Officer, the Placement department has in-house training staff as follows:

1. 3 Aptitude & Reasoning Trainers
2. 1 Verbal Ability & Soft Skills Trainer
3. 2 Technical Trainers.

The department has 4 interview rooms, 1 Group Discussion Rooms, 5 Seminar Halls and an Auditorium with a seating capacity of 800. The training & placement department has 300 computers with intranet and internet connectivity. Along with the intranet connectivity we also have WiFi Hot Spots in all the 3 blocks, for uninterrupted connectivity, inside the campus.

PLACEMENT ACTIVITIES

Placement training (also known as Campus Recruitment Training) plays a major role in shaping up of careers and honing the skills of students. It is the dream of every engineering student to get placed in a reputed organization that visits their

campus for recruitment purpose. Considering this very fact, training has been emphasized to the maximum level as it is important for engineering students to enhance their employability skills and get placed in various organizations / industries.

Currently, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a full-fledged training cell is operating in our college to enhance the capabilities of engineering graduates on par with the industry standards.

Objectives:

The following are the objectives of the Training Cell:

- To provide (100%) employment to all the eligible students.
- To recognize the core competencies of the students and make them ready to industry expectations by means of various training sessions, both in-house and external.
- To enhance the confidence levels among the students by improving communication skills, aptitude skills and technical skills.
- To develop the Apt attitude, needed to build career, among the students.
- Create awareness about "Career Planning" and "Career Mapping" among the students.
- Equip the student with Life Skills, which are also known as Soft Skills.
- Train the students on "Persona Enhancement".
- Organize various Training Programmes to equip enough knowledge to the students in the areas of Quantitative Aptitude, Logical Reasoning and Verbal Reasoning through in-house trainers and reputed external training organizations.
- Train the students through Mock Interviews to perform well in interviews as per the expectations of the corporate world.
- Train the students on group discussion techniques by conducting Mock Group Discussions.
- Conduct online tests and written aptitude tests.

11. Admission Procedure

APEAMCET

Department of technical Education & Andhra Pradesh state council of Higher Education

<https://apeamcet.nic.in/Default.aspx>

➤ Number of seats allotted to different Test Qualified candidate separately (AIEEE/ CET (State conducted test/ University tests/ CMAT/ GPAT)/ Association conducted test)

1. APEAMCET- I B.TECH
2. APECET - II B.TECH
3. APICET - MBA/MCA
4. APPGECET - M.TECH
5. GATE - M.TECH

➤ Calendar for admission against Management/vacant seats:

- Last date of submission for applications

Name of the test	Last date of request for applications
I B.TECH	27.09.2022
II B.TECH	16.09.2022
I MBA/I MCA	03.12.2022
M.TECH	03.12.2022

- Last date for closing of admission

Name of the test	Last date for closing of admission
I B.TECH	17.10.2022
II B.TECH	17.10.2022
I MBA/I MCA	30.01.2023
M.TECH	30.01.2023

- The waiting list shall be activated only on the expiry of date of main list
- The policy of refund of the Fee, in case of withdrawal, shall be clearly notified
