ENGINEERING COLLEGE
NELLORE
(Autonomous)**

About the Institute

Narayana Engineering College is one of the premier engineering colleges in Andhra Pradesh sponsored by Narayana group of educational institutions. The college was established in 1998 with a vision to impart quality technical education and is affiliated to JNTU, Ananthapuramu, and completed 23 years of existence in technical education. Narayana Engineering College was conferred "Autonomous" status by UGC with effect from Academic Year 2020-21 for a period of ten years. The college is Permanently Affiliated to JNTUA, Ananthapuramu and is Accredited by NAAC with A+ GRADE and awarded "A" grade by Govt. of AP.

Narayana Engineering College is located in India's southern State, Andhra Pradesh. This college is located near to the National Highway (NH-5) Nellore. The nearest airport is Chennai, 3 hours drive away. The college offers B.Tech. Programmes in 5 faculties of Engineering namely, Electronics & communication, Computer Science, and Electrical & Electronics, The college also offers Post Graduate Programmes MCA, MBA. and MTech in VLSI, EPS, &CSE, our motto is to give the students an excellence in his or her career, our goal is to shape their future in all aspects.

About the Department

Narayana Engineering College is offering Civil Engineering from 2012, It is endowed with well qualified, experienced and dedicated faculty and committed supporting staff. All the laboratories of the department are well equipped with advanced and sophisticated instruments, to fully satisfy the training needs of the students. Conducting seminars, workshops and conferences on the latest developments and arranging internships, industrial visits and expert lectures for the benefit of the students are regular features in the department.

About Course

Primavera is an enterprise project portfolio management software. It includes project management, scheduling, risk analysis, opportunity management, resource management, collaboration and control capabilities, and integrates with other enterprise software such as Oracle and SAP's ERP.
