Report on Nruthyam Dance Competition

Date: 29.04.2022

It's International Dance Day!!!

International Dance Day is a global celebration of dance, created by the Dance Committee of the International Theatre Institute (ITI), the main partner for the performing arts of UNESCO. The event takes place every year on 29 April, which is the anniversary of the birth of Jean-Georges Noverre (1727–1810), the creator of modern ballet. The day strives to encourage participation and education in dance through events and festivals held on the date all over the world. The art of dance is one of the earliest and longest-standing forms of entertainment and community activity known to humankind. While it continues to be practiced by millions of people daily, Dance Day is a precise moment in the calendar where everyone is invited to take part in an extremely enjoyable pastime.

Narayana Engineering College, Nellore has celebrated '**International Dance Day**' on April 28th 2022 by conducting a dance competition 'NRUTHYAM' to the students of B. Tech, M. Tech, MCA and MBA. So many students enthusiastically registered for this competition.
