Report on INDUSTRIAL VISIT:

Company Name:

Year: III B.Tech CSE   **Date**: 10/10/2018

An industrial visit to a software concern named UX Business Solutions at Chennai was organized for the III year CSE students of B. Tech program on the 9th of October 2018. The students were given an introduction about the company followed by the Web Application Development, Applications Of IoT, software development and testing tools and documentation procedures followed in UX Business Solutions. Detailed information given to students about the various departments of the organization and the concept of workflow with in the Development Team is explained to the students.

Students also had a great opportunity to interact with the Resource person, Mr. Abdul Kareem

who was very liberal to share his time to answer questions posed by the students of the CSE department. The visit ended with a note of gratitude to the management of UX Business Solutions, by the student representatives.

It had been noticed that all the students provided positive feedback on this event and we have received a warm welcome by UX Business Solutions and vast knowledge shared in advanced technologies.
