## EVENT DESCRIPTION

**Afternoon Session: (3:20 PM TO 5:00 PM)**

**Total no of students attended: 66 members**

The Department of CSE has conducted **BRAINSTORMING** under the student Association named as **ASSOCIATION OF COMPUTER ENGINEERS (ACE)** on **19/02/2020**. The program has been inaugurated by Dr. C. RAJENDRA, HOD at 3:20PM. In this event the students of II,III & IV year B. Tech are actively participated with a great interest and made it a grand success.

Brainstorming is a process for developing creative solutions to problems. Brainstorming works by focusing on a problem, and then deliberately coming up with as many solutions as possible and by pushing the ideas as far as possible. One of the reasons it is so effective is that the brainstormers not only come up with new ideas in a session, but also **spark off** from associations with other people's ideas by developing and refining them.

After completion of the test the results were announced and the winners are declared and rewarded with prizes at 4:00PM. The event was organized by co-ordinations of ACE with the help of faculty members who acted as invigilators and made this event a grand success.

### **Winners:**
