

Report on Industrial Visit to NIPPO BATTERIES

Department of ECE arranged an “Industrial Visit to Nippo Batteries, Tada” on 21-09-2019 for II ECE students. These students have learnt about the different types of batteries that were manufactured by Nippo used for different household appliances. They have also seen the different stages of electrode manufacturing – mixing, coating and compressing, Battery cell manufacturing – Drying, Slitter, Assembly, Filling, Grading and Packing.
