DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Report on "PAPER PRESENTATION"

The department of ECE has conducted PPT on behalf of "AKHYANA" (students association) on 17/02/2020. Students of ECE exhibited their talents and came forward to actively participate in this event.

Paper presentation plays an extravagant role in the student's life. There are many advantages of presenting a paper. Presenting a paper is very difficult but in the end seems to be very simple and easy. It is not only adding value to the resume but also helps in developing various skills. It consists of rare information and presenting a paper can explore many hidden talents in you. These certificates play an eminent role at the times of interviews and this definitely brings a positive difference in you.

Presentation includes:

- Never ever copy power point from net.
- Be confident with the matter and practice co-ordination according slides.
- Always make sure that you record your voice using voice recorder as it makes a lot of difference and you can locate your mistakes.
- Keep your pitch raising and failing, always maintain an audible tone which is most important aspect.
- Be careful with the time as you might run short of time.
- It is very important to practice point as many times as possible before stepping on to stage.
- Practice maintaining good eye contact as it is becomes very effective and useful.
- Always make sure that you have good coordination with the other person.
- The last things answer the question claimed by judges very confidently enough through if you are not sure of the answer.
