“Learning gives Creativity, Creativity leads to thinking, Thinking provides knowledge, Knowledge makes us Great.... Quiz competitions are always interesting and informative, which provide excitement among the students and also make them aware of current affairs. In **Narayana Engineering College, Nellore**, ECE dept. conducted Quiz competition in the Vishweswaraya auditorium on 20th January 2020 for the students of II B.Tech in which two different sections (A&B) with four teams participated. Rules and regulations of the quiz were explained at the beginning. It was interesting five-round competition, including objective questions with options round, buzzer round and audio-visual round, which engaged the students for two hours.

The students showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the teams tried to answer them with confidence. The questions put forth to the teams were intriguing, exciting and made the audience go ‘Aah!’ and clap when the teams answered correctly.

Although the teams participated actively, the team that scored the most was **Section-B Boys**, It was very informative and knowledge enriching competition for the participants along with the audience.

Quiz consists of five rounds:

1. *CAPITAL CITIES*
2. *FAMOUS QUOTES*
3. *WHO IS THIS?*
4. *IDENTIFY THE LOGO OR TAG LINE*
5. *PUZZLES*

After the presentation ceremony the students took out photographs with the head of the department Dr.K.Murali, event staff & student coordinators and some other members of ECE department and on that note the programme came to an end.

Narayana Engineering College, Nellore *encourages positive competition and hopes to bring out the best in all its students through such competitive events, while ensuring that the students learn through all possible ways- not just through books and class-room teaching.*
