

## ROLE PLAY

ELECTRONICS AND COMMUNICATION ENGINEERING department has Conducted “**Role Play**” on behalf of “**AKHYANA students association**” on 03/11/2018. Students of II Year B.Tech ECE-B students were participated in this event.

Role-playing provides a safe environment to encounter different scenarios for the first time, which builds confidence in team members that can help them in their day-to-day roles.

Benefits of Role-Play

- No. of Students Participants in **Role-Play** : 07
